Truck Hits Mobile Homes, Kills Child

A 2-year-old child was injured fatally, four persons were injured and three families were left homeless when a tractor-trailer left the pavement on Interstate 270 and crashed into the Sunny Shores Mobile Home Park at Old Highway 66 in Mitchell at 6 p.m. Saturday.

Amy Lynn North, the daughter of Mr. and Mrs. John North, 312 Sunny Shores, was found under the left front wheel of the tractor and was pronounced dead on arrival at St. Elizabeth Hospital at 7:45 p.m. Saturday.

Mr. North said the girl had been playing in a sandbox at the rear of their mobile home when the truck ripped through several homes, including theirs.

Lee Paul, chief of the Mitchell Volunteer Fire Department who assisted in the rescue attempt, said it required one and a half hours to locate the child's body among the rubble and to move the truck from her.

The Manor Bakeries truck of Kansas City, Mo., driven by William R. Reed Jr., 43, of Warsaw, Mo., was eastbound on Interstate 270 when the right front tire reportedly blew out, causing the truck to veer to the right and leave the pavement at the Sun 'n Fun Beach Resort.

Hits Culvert, Fence

Reed attempted to return the truck to the pavement but it struck a four foot culvert and leaped into a chain link fence between the roadway and the mobile home park, knocking down 100 feet of fencing and posts. Parts of the fence damaged several homes.

The truck then entered the park about 250 feet from where the first home was struck and damaged a storage shed behind the home of Steve Deroff, 322 Sunny Shores.

It continued east, passing through an empty lot at 316 Sunny Shores and drove into the side of the home of Elvie Alfaro, 314 Sunny Shores, passing completely through the home.

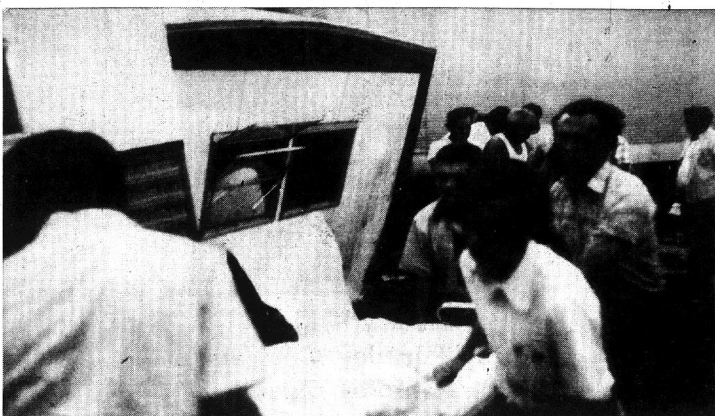

The truck then struck and passed through the North home and hit the side of the home of Terry Wicker, 310 Sunny Shores, pushing Wicker's home from its foundations and into the storage shed beside the next home. The truck came to rest against Wicker's home.

Rescue workers were en-

Ogilvie Favors Levee Division, Appoints Group

Illinois Governor Richard B. Ogilvie said at a news conference in Granite City Friday afternoon that he "will act upon recommendations" of a Citizens Committee which he had just created to prepare legislation on dividing the East Side Levee and Sanitary District.

The district, serving the East St. Louis and Quad-City areas since the first decade of this century, has been almost a constant center of dispute regarding its effectiveness and its fiscal policies.

Many Quad-Cityans have sought a division into two levee districts, in the belief that two smaller, cohesive governmental bodies could serve the two communities more directly and efficiently.

"The board of trustees is almost totally unresponsive to the needs of the people," he said.

"It has failed in its written obligation to the state of Illinois relative to Doherty Slough, and it has failed in its contractual obligation to the United States concerning the North Pumping Station and maintenance of the integrity of the Mississippi River Levee.

"I cannot, and I will not, tolerate this imposition and denial of due process to the citizens of the district.

Bus-Truck Collision Hurts 41, Two Badly

Forty-one persons, most of them children, were injured at 4:15 p.m. Friday when a beer truck skidded on wet pavement and crashed into the side of a bus taking the children home from a trip to the St. Louis zoo. The accident occurred on Route 111, a short distance north of Sand Prairie Lane.

Two of the injured were hurt critically. They were Martin T. Stoner, 53, of Belleville, driver of the truck, and Patricia Stosky, 6, of Hartford, a passenger on the bus.

Stoner was brought to St. Elizabeth Hospital in Granite City where he was treated for head injuries and transferred to

Another Body Dumped, Drug 'War' Studied

The bullet-riddled body of a 28-year-old St. Louis man was found in a weed patch just off County Road in Venice Friday morning — the fourth murder victim found in the Quad-City area within the past two months.

The victim, who had been shot five times, was identified as Andrew Lee Glass whose

last known address was in the 4200 block of Kossuth Street, St. Louis.

Identification was made by fingerprints sent to the St. Louis Police Department where Glass was reported to have had a record of 29 arrests since the early 1960s. St. Louis police records show that Glass also served a two-year prison term for burglary at the Missouri State Penitentiary in Jefferson City, Venice authorities said.

Police said they believe Glass may have been another victim of a feud between two factions of narcotics peddlers that has developed in North St. Louis, Venice authorities said Glass' body bore numerous needle marks.

Authorities assumed he was killed elsewhere and dumped at the site where he was found.

Six Since December

While four other bodies were found in the Quad-City area during the past two months, six have been found since last December.

The victim's mother, Mrs. Lorenda Glass, said she talked with her son by telephone Thursday afternoon when he informed her he had quit using and pushing narcotics and was looking for a job.

The latest murder victim was found at 11:15 a.m. lying in a clump of weeds about 70 feet

Gov. Ogilvie Orders Immediate Building Of Drainage Outlets

Touring the Quad-City and Alton areas by helicopter Friday, Governor Richard B. Ogilvie said the state is ordering immediate construction of

stormwater drainage lines to aid this community.

With development of Horseshoe Lake State Park being expedited by the Illinois Conservation Department, he outlined procedures for building drainage links from this community to the lake — and also outlets by which the lake will be drained when necessary into the Cahokia Canal and through the canal to the Mississippi River.

In other developments Friday, Gov. Ogilvie named a six-member committee to prepare legislation separating the Quad-Cities from the East Side Levee and Sanitary District.

Announced that reconstruction

of Illinois Route 203 here will receive top priority.

Took a strong stand against the 1.15 levee project as impairing the Alton Lake area; And disclosed that bids will be sought to end a major Alton traffic bottleneck through improving the Route 111-Washington Street intersection and realigning Humbert Street.

Speaking at a press conference Friday afternoon at the Tri-City YMCA, the governor said:

"I am announcing today our formal adoption of an emergency program for construction of storm drainage facilities from Doherty Slough, from eastern Granite City, from Pontoon Beach, and from areas between the two.

"An integral part of this improvement is the immediate construction of low-level outlets from Horseshoe Lake into Cahokia Canal.

"Operation of the outlets will be based on special stream-flow measuring equipment.

"There is a direct relationship between construction of the Doherty Slough and Long Lake Storm Drains and construction of operational low-level outlets from Horseshoe Lake.

"The function of the Long Lake area conduit is to convey storm drainage from Doherty Slough, eastern Granite City, Pontoon Beach and areas between the two, into Horseshoe Lake for discharge to the Mississippi River by way of the Cahokia Canal.

"Because of the recreational and environmental importance of Horseshoe Lake — and the importance of our increasing water quality considerations — only storm waters will be permitted in the storm drain conduit.

"State permits will be required by any connection in the conduit and no combined storm-sanitary sewers will be permitted," Gov. Ogilvie related.

"An integral part of the Long Lake improvement is the immediate construction of low-level outlets from Horseshoe Lake into Cahokia Canal.

"Operation of the outlets will be based on stream-flow measuring equipment so as to cause immediate establishment of flow rates which will permit the control of flood water elevations in Horseshoe Lake.

"The Division of Water Resources Management has now been directed to do those things necessary, in St. Louis and Washington, to obtain emergency funding for this work through the U.S. Army Corps of Engineers.

Widen Rt. 203 At \$4 Million Cost in Fall

Plans for immediate action toward the reconstruction of Illinois Route 203 here were announced at the Tri-City YMCA Friday by Gov. Richard B. Ogilvie.

The project will involve the building of a four-lane divided highway starting from Interstate 270 at Mitchell and ending at Pontoon Road in Granite City, Gov. Ogilvie said.

The total distance for the new construction will be about two miles, costing approximately \$4 million.

Bids for the work will be sought at the September bid letting by the Illinois Department of Transportation, the governor said.

Ogilvie continued: "This much-needed improvement will provide for a safer traffic flow in the area of the new high school that is under construction along Illinois 203.

"The improvement also will be an asset to the economic development of the area."

Calling attention to the state's greatly expanded highway improvement program under taken during his administration, Ogilvie pointed out that Madison County has been allocated an increasing share of the work.

The governor said that during the period of 1969 through 1971, construction on non-interstate highways in Madison County has averaged out at 29.5 miles a year, costing \$7.7 million dollars annually.

He said the figures compare with an average of 4.5 miles of such work costing \$2.1 million during the preceding nine years.

In his remarks at the press conference in the "Y" auditorium, Gov. Ogilvie noted that "I have just viewed by helicopter the state highway system in and around Granite City, and I am pleased to be able to announce immediate action toward the Route 203 reconstruction."

In reviewing the increase in highway building during his administration, he commented:

"We are giving special attention to those areas where traffic volume is the greatest."

"The finest measure of the success of our program is that we are saving lives."

Former Sen. Ralph Smith Dies

Ralph Tyler Smith, 56, born and reared in Granite City and a United States senator from 1969 to January 1971, died of a sudden heart attack after collapsing at 1:30 p.m. Sunday at the home of a neighbor in Alton. He died shortly after arrival at Alton Memorial Hospital.

A state representative from this district 15 years and speaker of the Illinois House from 1967 to 1969, Smith was appointed to the Senate by Governor Richard B. Ogilvie following the death of Sen. Everett M. Dirksen. He sought election to the post the following year, losing to Adlai E. Stevenson III.

Mr. Smith, a lawyer, attended public schools here and graduated from Granite City Community High School in January.

Fatality

dangered by three natural gas lines which were broken and numerous hot electrical wires in the area.

"It is a miracle that there wasn't a fire and explosion when the truck hit the homes," Paul said.

Kenneth Hartbarger, general manager of the park, estimated that damage will total more than \$100,000 from the accident.

He said the destroyed homes were valued at \$10,000 to \$12,000 each and that about \$10,000 damage had been done to the park. The tractor trailer was damaged extensively.

Injured were Reed; Gerald Cruse, 33, of Greenwood, Mo., a co-driver of the truck who was asleep in the sleeping compartment of the truck; Betty Alfaro, 21, and Lynn North, 21, mother of the child. Several other persons also were injured or suffered shock, but did not require hospital treatment.

Admitted to Hospital

Reed was admitted to St. Elizabeth Hospital with cuts to his face and legs and pain to his right knee and left elbow.

Cruse was shaken but an examination showed no serious injuries. He was released.

Mrs. Alfaro was admitted to the hospital with bruises to the right side of her head and pain to her head and a knee.

Mrs. North suffered chest pains and injuries to her legs and a shoulder. She was admitted.

The North family moved into the mobile home park in 1970, and the mother and child remained here while the father served a tour of duty with the armed forces in Vietnam.

Amy Lynn North was born in Fort Gordon, Ga. She is survived by her parents and her grandparents, Mr. and Mrs. Donald L. (Constance) North of Decatur, and Mr. and Mrs. Paul D. (Ann) Friley of Granite City.

Private family services were to be held at 2 p.m. today at a Granite City funeral home. Details may be found in the obituary column.

BOXCAR SET AFIRE

Vandals broke into a Terminal Railroad Association freight car in the Venice yards and set fire to the inside of the car, it was reported at 2 a.m. yesterday. The car was filled with canned goods. Venice firemen were on the scene 50 minutes. There was no estimate of damage.

PINCHING

CHRYSANTHEMUMS

Hardy chrysanthemums should be pruned (pinched) again in early July.

Late June or early July pruning will promote branching while you maintain a dwarf size. Cut back large plants to 6 to 8 inch-stems and thin out the clumps to a few strong stems. Each surviving stub will branch to produce 3 to 4 shoots that flower in October. A little extra fertilizer and occasional deep watering is the final ingredient.

Pinchusion varieties that are small mounds with occasional flower buds should be pruned. They are natural dwarfs and flower in August and September.

INSECT NOTES

Privet hedge in some areas are loaded with thrips. Gray-colored foliage is the tip-off. A close look shows the cigar-shaped insects on the leaves. One spray with diazinon or malathion will clear up the problem. When thrips are a problem delay further pruning until fall or the plants completely recover.

Ogilvie

detailed design of the low-level outlet structure which will be constructed at the point where Horseshoe Lake discharges into Cahokia Canal.

"Construction of the outlet works and gaging stations will be undertaken within the next few months and will be operational by the spring of 1972.

"Legislation will be introduced in the November session of the General Assembly to authorize state sponsorship of the storm drain conduit and low-level outlet, and to appropriate funds for the acquisition of certain rights-of-way which can be used for either the Long Lake conduit or the presently planned Dobrey Slough pipeline.

"That legislation shall have my strong support."

John Guillo, chief state waterway engineer, and Gov. Ogilvie explained the project with the aid of a large map of the affected area.

Guillo told newsmen that, with design already being prepared, it should be possible to seek outlet construction bids within four to six weeks.

"We will have it in operation before the annual rise of the Mississippi River in the spring," he predicted.

Guillo said federal funds will be sought under Public Law 99 to aid in carrying out the drainage installations both north and south of Horseshoe Lake.

He estimated that the outlet lines cover a distance of 3,000 feet between the lake and the canal leading to the river.

Drainage lines linking the Dobrey, Granite City and Pontoon Beach areas with Horseshoe Lake total about 10,000 feet, Guillo said, adding that most of the installation is to be a covered pipeline or conduit.

He said the state is flexible regarding the exact route and will consider any reasonable right-of-way alternatives.

"We're going to move ahead and get the job done," Guillo commented.

The 10,000-foot construction project existing north of Horseshoe Lake includes about 7,000 feet to northeastern Granite City and the Dobrey Slough area, running approximately north and south, and a 3,000-foot leg running northeast to the Long Lake-Pontoon Beach area, it was explained.

Eight-foot-square concrete drain pipes for installation underground are being considered.

With federal financial participation sought, a non-federal sponsor is required for such drainage work. The state is now stepping forward to serve as the sponsor, rather than the levee district, it was indicated. Wearing an "Irish plaid" sport jacket, Gov. Ogilvie said he had flown to Madison County directly from ribbon-cutting duties opening the 1972 state fair at Springfield.

The pipe-speaking official, chief executive of Illinois for nearly four years, has lost considerable weight through dieting and surprised some of the gathering in the "Y" auditorium with his trim appearance.

Gov. Ogilvie said that whatever credit results from state achievements in this district also should be shared by the four local legislators.

State Senator Sam Vadala and Representatives Horace Calvo, Leland Kennedy and Roberts Walters were present at the news conference. They sat near the governor while he made his announcements and answered questions.

Tax Service Charges To Be Held in Escrow

Charges levied by Madison County against taxing bodies to pay the cost of the county's tax extension and collection system will be placed in escrow pending further hearings on a suit challenging legality of the charges, according to a ruling by Circuit Judge William Beatty in Edwardsville Thursday.

The ruling followed a hearing on a suit filed by the city of Venice to enjoin County Treasurer George Musso from collecting the chargeback cost assessed against Venice in the amount of \$13,409.

The county treasurer's office has assessed similar charges against each of the county's taxing bodies, based on 3% of the total tax extension for each agency for the 1971 year, collected this summer. A total of \$1,407,106 has been billed against all of the county tax bodies.

The suit, which named Musso and Frank Reidelberger Jr., Venice Township tax collector, as defendants, followed protests by many tax agency officials in the Quad-City area. It alleges that the service charge made by the county violates the 1970 Illinois Constitution.

Pontoon Police Car in Crash; Woman Injured

A Pontoon Beach police car, on its way to the scene of an accident on Route 111 in which 41 persons were injured, crashed into the rear of an eastbound car driven by Mrs. Flora Wallace, 54, of Collinsville, at 4:30 p.m. Friday. The collision occurred at State Aid Route 35.

Mrs. Wallace was taken to St. Elizabeth Hospital here where she was admitted after treatment of a chest injury.

Chief of Police Harold Denham of Pontoon Beach said both cars were damaged extensively and that the Wallace car was knocked into a traffic signal which was torn down. The police car, Denham said, was driven by Patrolman Jimmy Smith.

Denham said he is checking into the dispatching of the police car to the accident scene several miles outside the village jurisdiction, but noted that calls for assistance from other departments are answered by his men.

east of County Road and about 400 feet south of the Merchants highline by Lonnie Garret, 29, of 210a Broadway, Venice.

He had been shot once in the left forearm, once in the center of the throat and three times in the left chest where the bullets were spaced only inches apart.

Ray Thomas of Granite City, deputy Madison County coroner, said the condition of the body indicated that Glass was slain only a short time before the body was found, presumably Thursday night.

Venice officers said the only item found on Glass' body was a book of matches from a St. Louis rental firm. The body was clad in an orange T-shirt, brown sweater, blue jeans and short boots.

Three .38 caliber bullets were removed from the body in an autopsy conducted immediately after the body was found. The body was taken to a St. Louis funeral home.

Of the four murder victims found in the Quad-City area since June 19, three were discovered in Venice where police theorize, and "dumped" in the Venice area.

Found in Lake

The fourth victim was found floating face down in Horseshoe Lake on July 19, his hands and feet bound with clothesline. He was identified as Jesse Leonard, 47, of East St. Louis, a core blower operator at

Larry Holt, 3 Weeks

Old, Is Found Dead

Larry Holt, three weeks old, infant son of Mr. and Mrs. Charles Holt, 2022 Rhodes St., Madison, was pronounced dead upon arrival at St. Elizabeth Hospital at 8:50 a.m. today.

He was found without signs of life in his crib at 8:40 a.m. today. Madison police and an ambulance were summoned. An inquest is to be held.

He is being taken from the Mercer Mortuary, Granite City, to the Landress Funeral Home, Malden, Mo., where arrangements on services are incomplete.

American Steel Foundries in Granite City

The body found in Venice July 19, just a month to the day before discovery of Leonard's body, was identified as that of Jimmy Lee Murphy, 24, of St. Louis. Investigation of that murder is being conducted by St. Louis police who theorize that Murphy was slain in St. Louis and brought to this side of the river.

On July 13 another murder victim was found on a construction site on Kerr Island in Venice. He had been bound, that body never has been identified.

HEAR CLEARLY AGAIN

WITH NOTHING IN EITHER EAR

It is now possible for thousands of people to enjoy hearing again with nothing in either ear! NO buttons, NO tubes, NO wires, nothing in either ear. For thousands this new aid may prove to be the best possible way to hear next to nature's own ears. Instead of forcing amplified sound through the impaired outer or middle ear the aid utilizing bone conduction delivers sound directly to the earring center "THE INNER EAR." So you hear clearly again with nothing in either ear.

To Seek Women's Rights Plank in GOP Platform

The Illinois Equal Rights Amendment caucus last week gave a mandate to Republican platform committee member Pat Olson to press for the strongest possible women's plank in the Republican platform.

She was directed to ask the platform committee for strong support of women's rights, including a concerted party push for ratification of the Equal Rights Amendment.

She is an elected delegate from the 6th Congressional District.

Twenty-five women representing organizations with more than 50,000 women members

met in Chicago to plan strategy for passing the Equal Rights Amendment in Illinois.

Illinois legislators Sen. Esther Saperstein (D-11th District), Rep. Giddy Dyer (R-4th District) and Rep. Eugene Chapman (D-3rd District), all active in the legislative fight for the Amendment, reported the current status of the amendment and urged coordination of the efforts of all women's groups supporting the ratification.

At the last session of the Illinois General Assembly the Equal Rights Amendment passed the Senate but was seven votes short of passage in the House.

A statewide steering committee of representatives of women's organizations — ranging from the National Organization for Women to the Illinois Nurses Association — was formed to coordinate and set strategy for the fight.

FIGHT AGAINST UNEMPLOYMENT would be expanded by an Accelerated Public Works Impact program supported in Congress by Cong. Melvin Price (D-East St. Louis), left, who inspects chart of employment data prepared by the House Public Works Committee. Price is shown with Cong. John McFall (D-California), pointing to chart.

Public Works Program Would Provide 80% Building Grants to Local Governments

Cong. Melvin Price, (D-East St. Louis) has hailed an early August bipartisan action by the House Public Works Committee, to approve and expand the Accelerated Public Works Impact program legislation, "as another great step taken by the committee to provide tools to fight our nation's battle against the serious unemployment problem."

"The action taken by Chairman John Blatnik (D-Minn.) and his committee clears the way for the full House Membership to have the opportunity to consider increasing the APW impact program funding and extend its life for another needed year," Price said.

As reported by the Committee, the bill H.R. 16071, would amend the Public Works and Economic Development Act of 1965, by authorizing spending up to \$500 million during the present fiscal year and \$500 million next year, as well as other economic development programs.

The accelerated public works program provides 80% construction grants to local governments in high unemployment "special impact" areas.

Both St. Clair and Madison Counties are eligible for Economic Development Administration assistance.

Hospital Notes Data Available for 1972-73 Debate Topic

Cong. Melvin Price (D-East St. Louis) announced today that a collection of excerpts and biographies relating to the high school debate topic for 1972-73 is now available from his office.

The 1972-73 debate question for the schools selected by the National University Extension Association is, "What should be the policy towards financing elementary and secondary education in the United States?"

"The purpose of the material is to furnish debaters with a start on their own work, not to provide exhaustive coverage of the subject," Price said.

The three specific debate propositions which are covered in the collection are:

RESOLVED, that a voucher system should be established as the primary means of financing elementary and secondary education in the United States.

RESOLVED, that government financial support for all public elementary and secondary education in the United States should be provided exclusively by the federal government.

RESOLVED, that public funds should be the primary means of financing parochial and secular private elementary and secondary education in the United States.

British Group 'Yes' Aug. 21 At River Fest

The British rock group Yes will be featured at the final Mississippi River Festival concert of the season on Monday night, Aug. 21, at 8:30 on the campus of Southern Illinois University at Edwardsville.

Appearing as the front act will be singer and songwriter Jackson Browne.

Noted for his original sound, the Yes group's music has been described as "a rich, colorful tapestry of varying moods and textures."

Although they have been together for several years playing club and concert dates, international recognition did not come until the advent of "The Yes Album," which won the Album of the Year Award in the "Soundscapes" poll.

In addition to two earlier albums entitled "Yes" and "Time and a Word," which has the best-selling LP, "Fragile," Jackson Browne, appearing with Yes on Monday night, has been hailed as an important songwriter since 1968.

Only recently did he cut his first album, entitled "Jackson Browne," which includes his hit single, "Doctor My Eyes."

The concert by the Yes was originally scheduled for July 26 but postponed due to the addition of Alan White, formerly drummer with Joe Cocker.

Tickets purchased for the original July 26 date will be honored at the Aug. 21 concert.

8 Area Couples Obtain Divorces

Eight area couples have been issued divorce decrees in Madison County Circuit Court. Divorced were:

Louise Frances Thompson from Roy Lee Thompson, both of Granite City. They were married Oct. 2, 1971, in Granite City, and separated last July 20. Mental cruelty was charged. Her former home of Louise Pruitt was restored.

Linda Sue Trowbridge from Larry Ray Trowbridge of Madison County. They were married Dec. 23, 1966, in Granite City, and separated last Feb. 2. Mental cruelty was charged. Custody of one child was given to the mother.

Della Lou Schubert of South Roxana from Richard E. Schubert of Granite City. They were married May 27, 1970, and separated the following Oct. 26. Mental cruelty was charged. Custody of one child was given to the mother.

Raymond E. Graham from Joyce A. Graham, both of Granite City. They were married April 21, 1967, in St. Clair County, and separated last month. Mental cruelty was charged.

Ernestine Marchbanks of Madison from Johnnie Lee Marchbanks of East St. Louis. They were married March 26, 1965, in Madison and separated in January 1971. Mental cruelty was charged. The mother obtained custody of four children, and the father is to pay child support of \$40 per month.

Darlene D. Heth from Charles A. Heth. They were married March 2, 1956, and separated in August 1971. Mental cruelty was charged. Custody of four children was given to the mother and the father is to pay child support of \$250 per month.

Delores Byars from Jessie Byars, both of Madison. They were married June 10, 1961, and separated in July 1968. Desertion was charged.

Kucharski Seeks to Keep Communists Off Ballot

Assistant Secretary of State Edmund J. Kucharski will ask the Illinois Electoral Board to refuse to place the names of Communist Party candidates on the ballot in November despite a federal court ruling ordering acceptance of the party's petitions.

"No American truly dedicated to public service should object to taking an oath stating he is not pledged to undermine his government; the very government he is obligated to preserve and protect as a public official," said Kucharski, who is the Republican candidate for Secretary of State.

In Illinois, all candidates for public office are required by law to sign a loyalty oath before their petitions can be accepted and their names placed on the ballot. The Communist Party candidates have refused to sign the oath and obtained an order from U. S. District Court Judge Hubert L. Will charging the Illinois Secretary of State to accept their petitions.

"I and every other candidate for public office in Illinois have signed the loyalty oath," Kucharski said. "It appears that there are those who consider the word 'loyalty' an evil connotation. Yet loyalty implies trust and faithfulness to obligations."

Warning on 'Charity' Magazine Sales Pitch

The Better Business Bureau has issued an alert to area consumers and businesses against some magazine subscription representatives who are back again in the St. Louis metropolitan area.

"These companies are attempting to recruit salesmen and sell magazine subscriptions door to door," M. A. Callandro, St. Louis BBB president, said. "Watch for a sympathy pitch in which the salesperson assures the householder his purchase will help minority groups, underprivileged children or a sick relative."

"Before you contribute to a charitable cause, call the BBB or Tri-Cities Area Chamber of Commerce to make sure your dollars are reaching the people in need."

The BBB cautions against admitting unknown solicitors into your home and strongly recommends calling the police when subjected to "strong arm" sales tactics.

Meeting Scheduled

\$3 Million in Grants Obtained By SIUE in Year

Externally sponsored research, training, institutional and student support grants at Southern Illinois University at Edwardsville totaled \$3,067,676 during the fiscal year ending June 30, according to tabulations by the Graduate School. This is an increase of 24.4% over the previous year and sets a new high for the university.

The biggest change in institutional support awards, totaling \$281,831, up 260%. Research awards totaled \$582,672, up 33.7%. Training awards totaled \$1,480,287, up 11%. Student support awards were up 7.2% and totaled \$722,786.

During the year the Office of Research and Projects processed 196 grant or contract applications, an increase of 21.7%. "While other colleges and universities are struggling to maintain their current position with regard to extramural support, SIUE has considerably increased its share of the limited external support available for research, training, institutional and student support," John Redman, coordinator of research administration, said.

Grants for students work and financial assistance totaled \$625,565 and the Manpower Development Training Act program operated in East St. Louis received \$347,608 during the year. Among academic units the Business Division topped the list with grants and contracts totaling \$399,414.

Other units reporting totals of \$100,000 or more include: the new School of Dental Medicine \$298,213; the Center for the Study of Crime, Delinquency and Corrections, \$236,826; the Education Division, \$236,494; Ethnic Studies, \$153,208; and the Science and Technology Division, \$129,910.

Youngsters Awaiting School With Variety of Emotions

By RORY LEEPER
Copley News Service

What is it like to be three feet tall and just starting down the road of education?

Children all over the country are preparing to make the jump from nursery school to kindergarten to the first grade, some hesitantly but most full of excitement. Not only do they want to be "big kids" but also "grown-ups."

"I'm gonna be a dentist when I grow up. Then I can get everybody's teeth and have more money from the tooth fairy," said one five-year-old.

"I'm gonna be a Marine. They never have to sleep in clean sheets," said another five-year-old.

"Joining the Mafia is the best idea in the whole world. They never lose," said a diminutive little five-year-old girl.

One group of mop-top boys has decided they are going to "raise corn trees" and "radish trees" in a "caplane" (decoding of the five-year-old dialect reveals this to mean commune).

Not every youngster is anxiously awaiting a adulthood. Said one six-year-old with his hands shoved deep into his pockets and his

freckled nose wrinkled, "As a matter of fact, I'm retiring next year. I've been in school for a hundred-million years and I'm tired of it."

Further investigation reveals, he is "gonna collect unemployment."

Children everywhere are becoming concerned with ecology and the need to clean up the environment. Many schools have had bottle drives, newspaper drives and aluminum drives to involve young students in community projects.

Said one businesslike six-year-old, "We collected newspapers this year but next year we're gonna collect cans."

"In my opinion, cans are easy to make into money."

A delicate little wisp of a lass said, "I helped in a cleanup program but next year I don't want to pick up litter. Even after picking it up all year the place still looks messy. I really think they need a vacuum cleaner for the environment."

Many schools are trying to make education more than just reading, writing and arithmetic.

Said one very proper young lady, "My mother did say to me that if I went to school it

would make a bigger person out of me. And my mother is very right. It did make a bigger person out of me. I'm almost four feet tall now."

Some youngsters would do away with basics altogether. Said one lanky lad with a baseball cap turned around backwards and looking intense with a black-eye almost hidden behind a bank of hair, "I don't like nothin' but the art stuff and recess."

Some schools are trying to include the students in planning their education by finding out what areas of study they would like to investigate. Many soon-to-be first graders have made up their minds about this.

"We should all study whales. Whales make good dog food somebody told me, and there are lots of dogs in the neighborhood. Some of them need good dog food," said a concerned five-year-old.

Another five-year-old said, "I'm all for pollution. My father said pollution is a big business and it'll be around forever."

One sun-tanned, cherub-faced boy said, "We ought to study love. I heard my momma tell my sister not to believe what the boyfriends says about love."

Granite City PRESS-RECORD

Mon., Aug. 14, 1972 Page 5

'cause they don't know what love is. But if we were learned about it in school then nobody have to listen to boyfriends anymore. I mean we already know what love is from school.

Little people everywhere are listening to "grown-ups and big-kids" tell them how great it is to be young and in grammar schools. But some tiny "scholars" don't think being young is such a good deal.

One little self-proclaimed "Woman's Liberator" said, "Everybody is always telling me what to do. What's so great about that?"

Audio Recorders Help SIUE Blacks Speak

Wollensak Corp. has presented two audio-active tape recorders to the Writing Clinic at Southern Illinois University at Edwardsville to aid an SIUE instructional program for disadvantaged blacks.

The student can listen to the instructor read a statement, then repeat on tape what he has heard. He can compare his tape with the instructor's. With an audio-active tape it is possible to erase the student's voice without erasing the instructor's tract. The student can work at his own pace and play the tapes back as many times as he wishes.

Barbara Lawrence, a member of the English department at SIUE and designer of the program, Standard Written English for Speakers of Black Vernacular, says the clinic had only one recorder before receiving the Wollensak gift, tripling the number who can take advantage of the program. "It's like a miniature language laboratory," Miss Lawrence explained, "a series of linguistic based grammar-usage lessons which do not require special linguistic training on the part of the student or the instructor."

"I believe the disadvantaged student can learn by association," the SIUE English instructor said, "if he hears, reads and writes what his instructor said, he can learn more easily."

"We don't consider black dialect sub-standard," Miss Lawrence said, "but there are two schools of thought about use of the black vernacular: those who believe the black speaker's dialect should be accepted and the large business and educational communities which don't accept this and believe we should make standard grammatical forms available to the black so he can decide for himself. As an educator, I subscribe to the latter school."

Although the program was designed to aid the disadvantaged black, some foreign students are benefiting from it, Miss Lawrence said. It is available to any student who has difficulty with verb tenses, moving in a sentence from singular to plural and difficulty with recognizing fragmentary sentences. Instructors in freshmen composition send some members of their class to the clinic on a weekly basis to make use of the tape program.

Fierce Competition Unable To Unseat Spalding at Race

If it is beginning to sound like a broken record, that is what it is.

With Spalding of Pontiac Beach continued to break records at the Tri-City Speedway as Friday night he again won both the super-sprint and late model stock car feature races.

The achievements marked Spalding's sixth dual win this season, extending his record in that category. His late model victory was his eighth consecutive and his 11th win in 14 races this season, unofficially another record.

As was expected, the Pontiac Beach driver dominated the evening's activities. He was the fastest qualifier in both classes, putting the sprinter through the half-mile clay oval in 23.96 seconds and turning a lap of 27.39 seconds in his No. 444 Camaro late model.

Camaro Close
In the sprint car feature, Spalding's closest competitor came from David Camfield of Argentina who appeared to have locked bumpers with Spalding as Camfield's sprinter remained inches behind the leader throughout the 20-lap event.

At the start of the race, Camfield jumped into the lead but a restart was called when the car of Larry Dietman of Edwardsville spun in the first lap. On the restart, Spalding quickly

Press-Record Sports

Page 6 Mon., Aug. 14, 1972

ly assumed the lead and Camfield was unable to pass.

On the 16th lap, the sprinter of Ron Melton of Jacksonville challenged Camfield for the second spot, a battle that raged to the checkered flag with Camfield finishing second and Melton third. Ron Booher of Florissant, Mo., was fourth with Ole Runion of Decatur rounding out the top five.

Camfield was second in time trials among the sprinters with David Dwyer third and Booher fourth.

Booher Victorious
Booher won the trophy dash for the fastest qualifiers with Spalding second, Dwyer third and Camfield finishing last as his car spun in the second turn on the final lap.

Spalding won the first sprint heat after trailing Melton the first three laps. Melton was second, trailed by Camfield and Runion.

Konnie Taylor of St. Louis led all the way in the second heat

with Cliff Powell of Quincy, Jack Dillard of East Alton and Jim Forrier of Belleville behind. Booher was victorious in the third heat with Camfield second, Runion third and Milton fourth.

Spalding Fastest
In late model qualifying, Spalding was trailed by Bob Buchanan of East Alton, Bill Myers of Rosewood Heights, Ken Lowe of Florissant, Mo., and Don Carter of Hillsboro.

Myers led the first heat for two laps until Spalding passed and went on to victory. Myers finished second with Lowe and Carter close behind.

Louie Jansen of Bethalto led all the way in the second late model heat with Pat King of St. Louis behind, Bobby Stanton of Alton third and Randy Wagner of Hardin fourth.

The third heat was won by Buchanan, followed by C. Corbin of East Alton second, Pat Fagin of Ballwin, Mo., third, and Chuck Wall of Alton fourth.

Close Racing
Buchanan kept the pressure on Spalding throughout the 20-lap late model feature race but could not find room to break into the lead. Pat King was third with Carter and Corbin behind.

The vent came under the yellow flag only once during the night as the car of Howard Ryder of East Alton spun on the 17th lap.

Gary Barker of Granite City turned in an outstanding performance throughout the night as he assumed command of the No. 50 Mustang, normally driven by Stanton and Stanton drove the No. 51 car which he used in last year's races.

Reekie Shows Promise

In his first time over behind the wheel of a race car, Barker was passing many of the experienced Tri-City drivers until his car developed engine problems forcing him out of competition.

Next Friday may be the last opportunity for the sprint drivers to unseat Spalding here as the following week has been reserved for a 100-lap late model program which will not include the sprinters.

Normal super-sprint and late model stock car racing will begin at 7:30 p.m. Friday with qualifications. Racing will start at 8:30 p.m.

The late model program will be held Friday, Aug. 25, with the top drivers from throughout the Midwest competing for a \$2,000 m.m.m. purse.

Madison Team Wins Mitchell Ball Meet

The Madison Juvenile baseball squad captured the Mitchell Invitational Tournament championship Sunday by defeating Wood River 4-3 at the Mitchell diamond.

Earlier action saw Madison score by Alton 16-2 on Thursday and Mitchell 7-3 on Saturday. The most valuable player of the tournament was Kevin Werner of Madison who was the winning pitcher of all three games.

LEAD OFF MAN. The first batter for the Mercer nine Sunday at Wilson Park in Inter-City baseball action was Dave Huddleston who took a healthy cut and connected, but was thrown out at first. Molitor won the game 7-4.

Mercer, St. Mary's Lose Sunday Games

Mercer and St. Mary's suffered defeats in Illinois Inter-City baseball action Sunday as the Molitor of Collinsville downed Mercer in Wilson Park 7-4 and St. Mary's was outgunned at Fairfax 9-5.

Mercer, playing in front of a very sparse crowd, managed only four scattered hits as they were helped along by Molitor's eight errors.

The longest ball Mercer managed was a double by David Duddleston, with singles tagged by Donald Harris, Bill Campbell and David Huddleston.

Mercer is now 6-9. Fairfax pitcher Merv Thompson allowed St. Mary's only two hits, but made them a gift of

St. Mary's scored four runs in the fourth without a hit as the Fairfax hurler walked home three men and one scored on a pass ball.

St. Mary's hurler John Piechocinski fanned 10 and walked two but was killed when Fairfax's Bill Lux slammed a three-run homer.

St. Mary's will play a make-up game at 8 p.m. Thursday against Molitor in Collinsville and Mercer and St. Mary's will meet at 2 p.m. Sunday in Wilson Park for their final game of the regular season.

In other Inter-City action, Piassa was trounced at Troy 7-2, and Van's of East Alton overran Highland-Pierson 9-1.

SAFE AT FIRST. Frer Blumberg, right fielder for Molitor of Collinsville, is safe at first as Mercer first baseman Larry Corey (31) waits for the ball in Inter-City baseball action at Wilson Park Sunday. Mercer lost 7-4.

Boys' Baseball
Granite City Park District games begin at 6 p.m. in the first round of the playoffs. The winners of the first round will play in the second round at 7 p.m. on Sunday. The winners of the second round will play in the final at 8 p.m. on Sunday. The winners of the final will play in the championship game at 9 p.m. on Sunday.

Four GC Youths to Compete In Illinois Sports Jamboree

John Urban to Play for SIUE

John Louis Urban, who led district 22 hitters in the Illinois Legion 1972 baseball competition with a .344 batting average, has enrolled at Southern Illinois University at Edwardsville for the fall quarter.

SIUE's varsity baseball coach, Roy E. Lee, made the announcement.

"Urban is a real 'sleeper,' a very good college prospect. He has excellent bat control and makes contact consistently," Lee said.

A third baseman, Urban played his high school baseball at Livingston and was a standout player on the Edwardsville Legion team. Urban gives his Legion coach, Chuck Jones, credit for the improvement in his overall game the past two seasons. He hit .363 last year for Edwardsville. O'Fallon beat out Edwardsville for the Legion league title.

Urban was chosen on the Legion District 22 all-star team. He is the son of Mr. and Mrs. John Urban of Livingston.

Among the 550 youths participating in the state finals of the Illinois Junior Sports Jamboree at Crystal Lake this week will be Robin Detering, Mike Kramer, Vicki Williams and Keith Asher of Granite City.

Fifteen charter buses will leave from various parts of the state Friday morning, carrying the contestants to the northern Illinois community. The young athletes, who range in age from 10 to 15, will be competing for state titles in 43 different events.

Competition will be on the Crystal Lake High School athletic field, and the contestants will be housed in dormitories in the high school and junior high gymnasiums.

Upon arrival Friday, the young people will have a barbecue in a city park, and then will take part in a torch-light parade through the town. Gov. Richard B. Ogilvie will ride in a motorcade at the head of the procession, and will address the athletes at the opening ceremony, scheduled for 8:15 p.m. at Veterans' Acres.

Highlight of the ceremony will be the lighting of the symbolic flame, from a torch carried earlier in the day from Joliet, site of the 1971 Jamboree. Cross-country runners from various towns along the route will take part in the 67-mile relay along country roads and city streets.

Track preliminaries and finals in field events will be conducted Saturday morning, and track finals will be run Saturday afternoon. An awards banquet Saturday night, followed by a swim party and dance at the Crystal Lake beach, will climax the day.

The contestants will leave for home Sunday morning following an all-faith religious service at the high school.

The contestants, all finalists in local and regional competition held earlier this summer, will make the expense-paid trip as the guests of the state of Illinois, which sponsors the jamboree along with the Illinois Jaycees. State agencies responsible for coordinating the program are the Governor's Office of Human Resources and the Community Services Unit of the Illinois Department of Corrections' Juvenile Division.

The Crystal Lake Jaycees are serving as hosts to the contestants during their stay in their community.

Croatian Home Wins Fourth in Tournament

Croatian Home finished fourth in the 34-team Illinois Amateur Men's Slow-Pitch Softball Tournament in Decatur after losing to Shef & Brewer of Decatur 25-5 late last night.

Two other local teams, Rozzycki and Merchants, dropped out earlier Sunday in the double elimination event.

Croatian Home played four games Sunday, with Frank Mudrosic on the mound for all of them.

The team remained in the winner's bracket before losing 10-3 to the East St. Louis Eagles. During the day they managed to defeat Weems of Decatur 10-5 and the East St. Louis Stars 13-12, with the winning run coming in the last inning.

Rozzycki defeated the Old Pros of East St. Louis 6-3 on Saturday, with Dude Friend chalking a three-for-three day, then lost 6-8 to the East St. Louis Stars on Sunday. Tom Wyrostek hit two home runs, including an inside the park blow with two mates on base.

The Merchants lost 20-8 to the East St. Louis Eagles Saturday night and 19-4 to Decatur Chrysler on Sunday.

Mercer was eliminated from the tournament earlier last week.

Hagop's, Triple A Win In Caseyville Tourney

Hagop's Heroes and Triple A Beekeeping meet at 7 p.m. Thursday in the Caseyville Class A Slow Pitch Softball Tournament as both teams won openers Saturday.

Charlie's lost its opener to Jacksonville Sunday and will play again in the double-elimination tourney at 7 p.m. Tuesday against the Alton Bucks.

Hagop's sneaked by East Side Cafe 2-1 as Mike Hagopian tagged home in the first and Steve Burdge scored in the fourth in the Caseyville Class A Slow Pitch Softball Tournament during first-round matches Saturday and Sunday at Arlington Golf Course.

Among those qualifying for the championship flight was Chuck Weiss, principal of Grigsby Junior High School, on Saturday, and while playing in a scramble tournament Sunday he scored a hole-in-one.

Weiss used a seven iron for the No. 13 water hole at Arlington. "The ball struck seven inches beyond the pin and spun backwards into the hole," he reported.

Qualifiers in the park tournament will compete this Saturday and Sunday at Arlington for the finals.

Buy any new '72 Volkswagen from us and you won't have to pay a penny for service for 1 year/12,000 miles.

What the plan is all about: No manufacturer's warranty in the world covers normal maintenance work. But our service plan does.

With the service contract we're giving away you can get your engine tuned, your wheels aligned, and your brakes, fan belt and clutch adjusted whenever you need to, without spending a cent.

Lube jobs are free. Spark plugs are free. Points, condensers, wiper blades, fuses, hoses, even light bulbs are free. We'll look for trouble, too. And you won't have to pay for the inspections, either.

Actually, for 12 months or 12,000 miles (depending on whichever comes first) you won't have to pay for any of the service you'd normally pay for, with a Volkswagen or any other car. Because, except for gas, tires and collision damage, your problems are our problems.

Now all we do we expect from you? You have to buy a new '72 Beetle, Super Beetle, Station Wagon, Squareback, Type 3, Karmann Ghia, Camptop, or 411 from us.

You have to bring it back where you bought it every 3 months or 3,000 miles so we can maintain it according to Volkswagen's maintenance schedule.

And you can't modify, abuse or torture it. That's it. Except for one last detail. We can't make this offer indefinitely. So don't put off coming to see us. Wouldn't you rather kick our tires than kick yourself?

BRIDGE ENJOYED BY NEWCOMER LADIES
Mrs. Marcella Wilmzig of the Gaslight Walk apartments entertained members of the Newcomer Ladies' Bridge Club last week.

Prizes for the evening went to Mrs. Barbara Maycock, first; Mrs. Wilmzig, second; Mrs. Sheri Dunsen, third; and Mrs. Dody Stevens.

Also present were Mesdames Donna Warren, Gail Skanker, Sylvia Massman and Mary Ann Rawlings.

A fondue and dessert course was served and plans were made to meet with Mrs. Gail Skanker on Sept. 6. The couples' bridge club will resume its meetings in September.

BRUNCH SERVED TO GARDEN STUDY CLUB
The Garden Study Club held its August meeting with Mrs. Clifford Mang, 2630 Edison Ave., the monthly service brunch to ten members.

The president, Mrs. Robert Blankenship, presided and Mrs. John Sigle read the club column. Reports were given, and members answered roll call by naming favorite yard trees.

The membership committee reported that Mrs. S. M. Wilson and Mrs. Marceline Jung have transferred to the associate membership roll from active membership.

Announcement was made that Mrs. H. E. F. Leslie, a long-time member, is a patient at a nursing home.

Club literature was displayed; it included 4 magazines and pamphlets on gardening. The club library has been donated to the Granite City Public Library.

Mrs. Wilmer Winter, 4616 Vine St., has invited the organization to her home for the September meeting. Mrs. John Lehman will present the program on "Flowers and Trees of the Bible."

Concerts by Mary Travers Tuesday, Beach Boys Wednesday, David Cassidy Saturday

The final full week of pop-folk-rock events at the Mississippi River Festival will feature concerts by Mary Travers tomorrow, The Beach Boys on Wednesday and David Cassidy Saturday, Aug. 19.

All weeknight concerts on the Southern Illinois University campus at Edwardsville begin at 8:30.

Folksinger Mary Travers is best known for her many successful years with Peter, Paul and Mary.

But since the group retired in 1970, she has emerged as a singer in her own right.

Her two albums and numerous concerts by herself have established her as one of the leading female folk singers in the country.

As a member of the popular musical group, she sang before 7,000,000 people on three continents, appeared on countless TV shows, and sold records in the millions.

Born in Louisville, Ky., she moved to New York with her writer parents and grew up in Greenwich Village.

She has multiple talents in music, writing and art, and her concerns have long included civil and human rights.

Her first solo LP is entitled "Mary."

The Beach Boys, appearing Wednesday night, have been on

the popular music scene for a decade. Their popularity continues as they adjust their distinctive sound to match the current trends.

Their latest albums are "So Tough" and "Surf's Up."

Some of their earlier singles, such as "Good Vibrations," "Surfer Girl," "Surfer U.S.A.," and "Dance, Dance, Dance" are the songs so often associated with The Beach Boys.

Cassidy has become America's teenage idol through his weekly appearances as co-star of television's "The Partridge Family" and his frequent concert tours.

But his powerful and expressive voice has made him popular among other age groups, too.

His current single, "How Can I Be Sure," is at the top of the charts, joining the million sellers that he's recorded with the Partridge Family — "I Think I Love You" (over five million copies) and "Doesn't Somebody Want to Be Wanted."

The two Partridge Family albums, "Up to Date" and "The Partridge Family Album," have sold over one and two million albums, respectively.

The emergence of David Cassidy as a star in the fall of 1970 is comparable to the ex-

plosion of Frank Sinatra in the '40s, Elvis Presley in the '50s and the Beatles in the 1960s.

Cassidy was literally discovered by the younger generation after a few appearances playing feature roles on "Marcus Welby," "Ironside," "Bonanza," and others during the 1969-70 season.

Prior to the September 1970 debut of "The Partridge Family," the ABC-TV series in which he co-stars, he made a two-week promotional tour to 10 cities in the U.S.

Teenagers scrambled to meet him early in the mornings — just to get a glimpse of him.

Cassidy records for Bell Records, with "I Think I Love You" selling over five million copies and "Doesn't Somebody Want to Be Wanted" topping the one and one-half million mark only four weeks after being released.

David is a natural musician. He plays the drums, and he is a composer and lyricist of songs which will be heard on forthcoming singles and albums.

Appearing with David Cassidy on Saturday will be Kim Carnes and Dave Ellington.

The 1972 season — sponsored by Mississippi River Festival, Inc., a not-for-profit Illinois corporation with directors from Missouri and Illinois — will conclude with the "Yes" music group on Aug. 21.

TEENAGE STAR David Cassidy, a fast-rising celebrity in the singing and acting fields. He will appear at the Mississippi River Festival at SIUE at 8:30 p.m. Saturday.

Arthur Fischer, 70, Dies; Ex-Union Agent

Arthur Fischer, 70, of 5 Lakeview Acres, Collinsville, business representative of Plumbers and Gas Fitters Local 369 for 31 years prior to his retirement in June 1969, died Saturday.

Details of his death were not available but he and his wife were reported at their clubhouse in Hamburg, Ill., when he was stricken.

Born in Belleville, Mr. Fischer had resided in Collinsville since 1925. He was a member of the Fraternal Order of Eagles Lodge 1061 of Collinsville.

Surviving are his widow, Mrs. Ruth Fischer; two daughters, Mrs. Louis (Jane) Molnar and Mrs. Dale (Judith) Hendricks, both of Collinsville; two brothers, Jui Fischer of Belleville and Walter Fischer of Collinsville.

Six sisters, Mrs. Margaret Arnold, Mrs. William (Ann) Vilhardt, Mrs. Arthur (Cornelia) Schleicher, Mrs. Alvin (Florence) Smith, all of Belleville, Mrs. Paul (Myrtle) Davis of Alton and Mrs. Catherine Hausmann of Collinsville, and six grandchildren. A son Arthur Charles Fischer preceded him in death.

Arrangements are given in the obituary column.

Howlett Calls for State Non-Driver I.D. Cards

Eight states now issue identification cards other than driver's licenses, Michael J. Howlett, Democratic candidate for secretary of state, said Saturday.

Howlett came out last March for new legislation to make state identification cards available for the blind, the crippled, the aged and others who don't drive.

He enlarged on his proposal today at a dinner of the Platt County Democratic Central Committee in the Police Auxiliary Building, Bement.

"State identification cards should not be compulsory," Howlett said, "but they should be available to those who request them."

He said a check of the 50 states has found Wisconsin, Vermont, New Mexico, New Jersey, Minnesota, Hawaii, Michigan and California all issue some kind of identification cards.

California Cards
California issues an I.D. card to anyone over 18 years old who doesn't have a valid California driver's license. It expires on the applicant's sixth birthday after issuance.

It contains the same information as a driver's license—date of birth, a serial number and the applicant's picture. Applicants 21 or older have a full-face portrait. For those 18 to 20, the picture is a profile with the word "minor" stamped on it.

Minnesota provides a "non-qualification" certificate to anyone over 18 who wants one and doesn't drive. It is marked "non-driver", and is printed on paper of different color than driver licenses.

The Minnesota card includes a colored photo, name, address, birth date, physical description, serial number and signature of the applicant. It expires on the applicant's fourth birthday after issuance, except that applicants older than 65 have no expiration date.

New Jersey, New Mexico, Wisconsin and Vermont issue "drinking cards" so applicants can prove eligibility to buy a

drink. Wisconsin is preparing to turn its drinking card into an official state I.D. card.

After next Jan. 1, only one identification card will be issued by the state Department of Administration, or by city clerks or county registrars of deeds to anyone 18 or older who asks for it.

Michigan issues an identification card for blind applicants, with name, signature, birth date, address and photograph. It states that the holder is legally blind.

Hawaii has an all-purpose card, with a serial number, date of issue, name, address, birth date, citizenship status, signature, fingerprints and the name and address of person to be notified in case of accident. The Hawaii card is issued by the attorney general. No police department may issue competing I.D. cards.

"Lack of a driver's license is a handicap in Illinois for the blind, the aged, the crippled and people who have no need or wish to drive a car," said Howlett.

"The driver's license has become the principal means of identification in Illinois. Anyone who asks to cash a check in a bank or a grocery store usually is asked to show his driver's license."

"A state I.D. card might also help overcome forged endorsements on stolen checks. When strange purchasers have no driver's license, merchants sometimes accept endorsements on checks without sufficient identification."

Howlett said the feasibility of putting photographs on both driver's licenses and non-driver's I.D. cards should be studied.

MRS. THOMAS MARGASON, the former Miss Paula Pasek, a daughter of Mr. and Mrs. Peter Pasek, 939 Greenwood St., who was married at St. Mary's Roman Catholic Church.

Margason-Pasek Wedding At St. Mary's Church

St. Mary's Roman Catholic Church was the scene of the afternoon wedding on Saturday of Miss Paula Pasek, a daughter of Mr. and Mrs. Peter Pasek, 939 Greenwood St., Madison, and Thomas Margason, son of Mr. and Mrs. Charles Margason of Smithton, Ill.

Father James Margason, a brother of the groom, and assistant pastor at Blessed Sacrament Church in Belleville, performed the two o'clock double-ring ceremony.

Arrangements of white gladiolus and blue mums adorned the altar. White satin bows on the pews with a white aisle cloth completed the setting for the service.

Sister Mary Donald, C.D.P., presided at the organ for John Stanfill as he sang "More," "Now, Joined By God," "These Two," and "On This Day."

Given in marriage by her father, the bride wore an exquisite gown of white organza, delicately appliqued with Chantilly lace.

The oval neckline was etched with pearls. Chantilly lace was fashioned the Empire bodice and was repeated on the full bishop sleeves.

Matching lace motifs were appliqued on the A-line skirt to form a semi-scalloped design.

She wore a mantilla veil of bridal illusion that was edged with a wide scalloped band of Chantilly lace and carried a cascade of phalaenopsis orchids, stephanotis with ivy.

Miss Mary Frances Pasek, a sister of the bride, was maid of honor and Misses Yvonne Remanic, Carol Colgrave, Mary Catherine Bernack, both cousins of the bride, and Betty Pisch, served as bridesmaids.

Miss Patty Yurko was the junior bridesmaid and Peggy Motershead, the groom's niece, was the flower girl.

Their formal length gowns were designed with blue polyester organza Empire bodices featuring a pleated ruffling around the neckline and down

the front. Matching trim formed the cuffs of the long sheer sleeves. Moss green ribbon encircled the high rise waistlines to accent the multi-colored floral printed organza over blue taffeta gathered skirts.

They wore a matching blue floral headpiece ad held plateau baskets with arrangements of yellow daisies and baby breath.

The little flower girl was dressed in a crepe duette frock in an empire style, enhanced with a Chantilly trim. She also carried a plateau basket of daisies.

Jerry Margason attended his brother as best man.

Groomsmen included Marvin Osca, Joseph Pasek and Andy Joe Boron, all cousins of the bride, and George Muller II, the guests were Kernerth a cousin of the groom. Seating

Pasek, the bride's brother and Fred McBride.

Miss Bonnie Dickmann presided over the guest book at a reception held at the Polish Hall in Madison.

Mrs. Pasek chose for her daughter's wedding a dress and coat ensemble of apricot shantung. Venice lace enhanced the sleeves, bodice and A-line skirt and the organza coat had a Venice lace trim. Her accessories were in white.

The groom's mother, Mrs. Margason, was attired in a blue coat and dress costume that was designed with an A-line skirt. Accenting the ensemble was a belt embellished with rhinestones as were the buttons on the elbow length sleeves.

Both mothers wore white orchid corsages.

A graduate of St. Teresa's Academy, the former Miss Pasek is employed at the Bank of St. Louis. Her husband was graduated from Cahokia High School and works with the Operating Engineers Local 520.

The couple will reside in Granite City.

MRS. BUTTON HOSTESS TO ROLLETTES CLUB

Mrs. Mary Ann Button, 2019 Beckwith St., entertained the Rollettes Club last week in her home when secret pal names were drawn for the coming year.

Those winning prizes in the games were Mrs. Betty Brooks, Mrs. Debbie Bettorf and Mrs. Wanda Sweeney.

Others present included Mesdames Joyce Walker, Edith Wofford, Carol Smith, Connie Tinsley, Diane Wilson, Jeanette Wilson and a guest Mary Butler.

The SCHERMER BULLETIN

Well, TONITE IS THE NITE. The big MILLION DOLLAR MUSIC SHOW starts promptly at 7:30. Tickets can be purchased at the gate if you haven't bought yours already. This big Charity Show is loaded with talent. MARTY BRONSON, the Voice of St. Louis, will sing the National Anthem after presentation of the colors by the combined color guard of various troops of Cahokia Mound Council. Then the one and only BOB HARDY of KMOX will introduce the show, and what a show. Six of the finest Drum and Bugle Corps in the United States competing against each other. Each corps will make its presentation in an order that will be determined by a drawing held at 4:00 p.m. at the football field. In between the "acts" Bob Hardy will introduce various officials and dignitaries that will be present at rifle sidelines. At the conclusion of the performance of the six competing corps, the Belle-ettes of Belleville will put on an exhibition while the judges are totaling the scores. Then ALL THE CORPS will come back on the field and the winners will be presented with their awards.

This will be the greatest three hours of entertainment that you have ever attended. There is still time, so come on out this evening, the time again is 7:30. The place: the Granite City High School Football Field. See you there!

Darst-Stanfill Betrothal Told

Mr. and Mrs. Earl Stanfill, 3479 Huntington Lane, St. Charles, Mo., formerly of Granite City, are announcing the engagement of their daughter, Miss Pamela Jo Stanfill, and Allen P. Darst.

Mr. Darst is a son of Mr. and Mrs. Orville C. Darst, 2860 Poe Ave., Overland, Mo. He is a graduate of Rittenour High School and attends the University of Missouri, St. Louis. The prospective groom also works at the Jewish Community Centers Association.

Miss Stanfill, a 1971 graduate of Hazelwood High School, attended Florissant Valley Community College. She presently is employed at ACP Industries in St. Charles.

The bride-elect is the granddaughter of Mr. and Mrs. Earl Stanfill of Madison and Mrs. Edith Orger of Edwardsville. Plans are being completed for a spring wedding.

MISS PAMELA JO STANFILL, a daughter of Mr. and Mrs. Earl Stanfill of St. Charles, Mo., former Granite Cityans, who are announcing her engagement to Allen P. Darst of Overland, Mo.

Miss Ellen M. McGahan, Earl Fronabarger Wed

Arrangements of white summer flowers decorated the altar and lighted tapers in aisle candelabra festooned with Smilax and white satin ribbons provided the setting on Saturday afternoon for the wedding of Miss Ellen M. McGahan and Earl William Fronabarger at St. John Lutheran Church.

Mrs. Wanda Land sang, The Lord's Prayer and There is Love, accompanied at the organ by David Wolf preceding the arrival of the wedding party.

Officiating at the 4:30 p.m. double-ring ceremony was the Rev. Samuel Boda.

The bride is a daughter of Mr. and Mrs. Clarence W. McGahan, 14 Bermuda Lane, and the groom's parents, Mr. and Mrs. Earl Fronabarger, reside at 2425 Center St. Escorted down the white carpeted aisle and given in marriage by her father, the former Miss McGahan appeared in a floor-length gown of pure white Peau de Soie.

Long bell-shaped sleeves were luxuriously applied with Alencon lace and set in an Empire bodice that was designed with a round neckline.

A wide band of Alencon lace encircled the hemline and came to a semi circle in the front of the A-line silhouette skirt to create a deep scallop.

She wore a crown of matching lace and peau de soie to hold in place a bouffant fingertip veil of tiered imported French illusion. Her cascade bouquet was an arrangement of white roses interspersed with pink Sweetheart roses and camellia foliage.

Mrs. Linda Stephens, a sister of the groom, was matron of honor, and Miss Barbara Oetken, the bride's cousin, Mrs. Dixie Kalpis and Mrs. Mary McKee served as bridesmaids.

The honor attendant wore a formal-length dress in lilac with an Empire bodice of deep purple lace that featured a sabbina neckline and long sheer sleeves cuffed in matching purple lace.

She wore a picture hat of lilac straw with purple ribbons and carried a colonial bouquet of pink daisy pom poms, seafoam statice and baby breath.

All the bridesmaids were dressed alike in frocks styled in an Empire design. The burgundy lace bodices had sabbina necklines, long sheer sleeves and A-line skirts in pink.

Each girl wore a pink wide-brimmed hat trimmed with burgundy ribbons and held colonial bouquets of lilac daisy pom poms, seafoam statice and baby breath.

The mothers were attired in street-length dresses. Mrs. McGahan chose pink with a lace jacket and white accessories. Her corsage was of dark pink roses.

Mrs. Fronabarger selected a two-piece green dress. White accessories complemented her costume and she wore a yellow rose corsage.

Immediately following the ceremony a dinner reception was held at the Moose Hall, 1900 Adams St., with music furnished by The Debonaires. Attending the guest book and gift table were Misses Andrea Miles and Vickie Leggett.

The groom chose Randall Sigite as his best man, Clyde Stephens, a brother-in-law of the groom, Floyd Pitchford, Jerry Lakin, Scott Pitchford and Larry Finley completed the corps of groomsmen and ushers.

Mr. and Mrs. Earl Fronabarger, parents of the groom, were hosts at a rehearsal dinner given at Charlie's Restaurant on Friday evening.

Both young people are graduates of Granite City High School. The former Miss McGahan is employed with Pinkerton's Inc., St. Louis. Her husband is a St. Louis Globe Democrat news carrier.

Out of town guests included Mrs. Mildred Brennan of Jacksonville, Ill., Mr. and Mrs. Harry Cerbin, Chicago, Mr. and Mrs. Earl Crabtree, Mr. and Mrs. Gerald Crabtree and Mrs. Catherine Hlava all of Missouri.

MRS. EARL WM. FRONABARGER, the former Miss Ellen M. McGahan, a daughter of Mr. and Mrs. Clarence W. McGahan, 14 Bermuda Lane, She was married at St. John Lutheran Church, Saturday afternoon.

MR. AND MRS. STEPHEN LAMAR OWEN who were married at the Idaho Falls Latter Day Saints Temple. The bride is the former Miss Cheryl Lynne Meyer, a daughter of Mr. and Mrs. Elwyn A. Meyer, 3221 Davis Ave.

Mr., Mrs. Andrew Bridick Mark 50th Anniversary

Mr. and Mrs. Andrew Bridick, 824 Lee Ave., Madison, were honored on their golden wedding anniversary during the weekend at the Croatian Home in Madison.

A Mass of Thanksgiving was offered at St. Mary's Catholic Church, with Father Sylvester Micek, O.F.M. officiating. The adult choir sang St. Cecilia's Mass, with Mrs. Margaret MacZura singing the Golden Wedding Song and Ave Maria. Mrs. Eleanor Tutka sang Veni, Jesu and The Lord Bless You, accompanied at the organ by Mrs. Ann McGarran, daughter of the honorees.

Their grandson Kevin McGarran served as commentator, and grandsons Keith and Kenneth McGarran were the acolytes. The gifts of the Offertory procession were presented by the couple's daughter, Miss Jackie Bridick of Los Angeles, and their son, Ronald A. Bridick, of Granite City.

Mr. and Mrs. Bridick renewed their vows during the Mass and were attended by Mr. and Mrs. William Cronovich of Madison, life-long friends of the couple.

Over 500 guests attended the reception held after the mass with out-of-town guests included

Mr. and Mrs. Hugh Ferguson, Mr. and Mrs. John Strickling, Mr. and Mrs. Ted Brickley, Mrs. Mildred Faust, Mrs. Marcela Benhardt, William Layland, all of Mansfield, Ohio; Mr. and Mrs. Joseph Leack, Mr. and Mrs. Buddy Walton and daughter of West Frankford, Ill.

Mr. and Mrs. Nick Leack and daughter of Springfield, Ill., Mr. and Mrs. Terry Lockman and children of Peaseville, Fla., Mr. and Mrs. Charles Baurivich of Birmingham, Michigan, Mr. and Mrs. Paul Herrell and Mr. Marvin J. Garin of Hazelwood, Mo., Miss Annoinette Belographic of Joliet, Ill., Mr. and Mrs. Bernie Garavalia, Manhattan, Ill., Mrs. Thelma Hill of Woodlake, Calif., and Mr. and Mrs. Tony Zupic of Mulberry Grove, Ill.

Mrs. Ronald Bridick presided over the guest book. Entertainment during the dinner hour was provided by the Tamburiza Sweethearts.

Mr. Bridick retired from the Union Electric Co. approximately 5 years ago, and Mrs. Bridick has been employed in the office of Dr. E. Gale Jones, Granite City, for over 25 years. Both are active in various civic and social organizations.

Cheryl Lynne Meyer Wed In Idaho Falls Temple

Miss Cheryl Lynne Meyer and Stephen LaMar Owen were united in marriage on Aug. 5 in the Idaho Falls Latter Day Saints Temple.

An open house reception was held at the home of the groom's parents, Mr. and Mrs. Charles H. Owen, the same evening in Salt Lake City, Utah. A reception for local guests was given Friday evening at Lewis and Clark Restaurant in Alton.

Attending the bride were Mesdames Sharla Fillmore of Provo, Utah, Diana Sluder of Peoria, Ill., Misses Kathy Jensen of Idaho Falls, and Kay Green of Piedmont, Calif. The groom's best man was Dave Muegliston of Salt Lake City.

The bride is the daughter of Mr. and Mrs. Elwyn A. Meyer, 3221 Davis Ave. She attended Brigham Young University of Provo, Utah, and is now a teacher at Granite City High School. The former Miss Meyer is affiliated with Beta Sigma Phi Sorority.

Mr. Owen attended the University of Utah and now is a junior at Washington University Dental School.

The couple will reside in Maplewood, Mo.

Party Honors Bride-to-Be

Miss Gail Vogeler was honored at a bridal shower given at the First Assembly of God Church fellowship hall by Mrs. Aline Rensing, Mrs. Rachel Larsen and Mrs. Sharon Gusewelle.

If Aetna's All-Driver Plan doesn't offer lower rates, broader coverage, or both, why are our phones so busy?

Even we're surprised at how popular it is. Actually, we shouldn't be. Because the Aetna All-Driver Plan offers remarkable advantages. Take the premiums. Even if your present insurance company is already giving you lower rates for your safe driving record, the Aetna All-Driver Plan should cost you less. Rent a fender or two in the past few years? You could still save. You probably won't have to pay as much for your coverage as other insurance companies would charge you. Even if you've had lots of bad luck in your driving—are having trouble getting any insurance, you should be able to qualify for All-Driver. With its broader coverage and the best guarantee in the industry on policy renewal. Call us, or come in. We always have time to talk to you.

OF BUZZINS DOZEN

A monthly meeting of the Buzzin' Dozen Club was held last week at the home of Mrs. Ruth Smith, 1741 Courtenay Blvd.

The evening was spent playing bunks. Those winning prizes were Mesdames Billie Jean Benda, Shirley Vaughn, Connie Simpson and Marilyn Caton.

A telephone call was received during the evening from one of the club members, Mrs. Mary Smith, who had just given birth to a 10-pound, 10-ounce baby boy.

Other members present were Mesdames Toni Holmes, Jackie Seago, Dessa Severine and Karen Cotter.

Snacks and refreshments were served throughout the evening and at the conclusion of games a dessert course was served.

The next meeting will be held at the home of Mrs. Connie Simpson, 10 Hanson Drive.

MRS. JAMES AUFDERHEIDE whose wedding took place at St. John United Church of Christ. She is the former Miss Janette Bryant, a daughter of Mr. and Mrs. William C. Bryant of Madison.

Janet Bryant Becomes Mrs. James Aufderheide

Miss Janette Bryant and James Aufderheide exchanged wedding vows in a late afternoon ceremony Saturday at St. John United Church of Christ, 2801 N. Main St. Road.

A double-ring ceremony was performed by the Rev. Paul Surby at 5 o'clock in a candle-light setting before an altar decorated with arrangements of white gladioli, 'Mums and greenery.

Mrs. Irene Barrick presided at the organ and played the theme from Romeo and Juliet, the theme from Romeo and Juliet, and 'We've Only Just Begun.'

Parents of the couple are Mr. and Mrs. William C. Bryant, 300 Highway 203, Madison, and Mr. and Mrs. Clinton Aufderheide, Bend Road, East St. Louis.

The bride chose for her wedding a white silk organza over

taffeta gown. The fitted bodice and long bishop sleeves were fashioned with tiny pleated organza lavishly appliqued with lace motifs embellished with seed pearls. Venice lace formed the high collar, cuffed the sleeves and was repeated on the hemline.

Maid of honor Miss Barbara Brown and bridesmaids, Miss Ann Aufderheide, a sister of the groom, Miss Bonnie Wilk, and Miss Paula Planitz, were gowned in identical old-fashioned styled dresses of orchid English voile.

The high neckline was trimmed with a tiny white lace that also edged the cuffs of the long-tapered sleeves. A deep purple satin ribbon encircled the high rise waistlines and formed a bow at the front.

They wore white picture hats and held white wicker baskets filled with pastel, pink, purple, yellow and white summer flowers.

Douglas Carman, the bride's nephew, as ringbearer, escorted the flower girl, Tammy Doyle, a cousin of the bride. She was dressed in a frock similar to the adult attendants and carried a basket of rose petals.

Ron Laycock served as best man with Richard Hierich, Ken Mueller and Gary Doza as groomsmen. Ushers were Bruce Doyle and Ronnie Patente, cousins of the bride and groom.

An evening reception was given at Holy Trinity Hall, Mr. and Mrs. Aufderheide, parents of the groom, entertained the wedding party at a rehearsal dinner at their home on Friday night.

The newly wed couple have taken a wedding trip to the Ozarks and upon their return will reside at Gaslight Walk Apartments.

Mrs. Bryant was attired in a lavender knit, street dress featuring long sleeves with a slight flare cuff. The scoop neckline was edged with hand knit rings. She wore matching accessories.

The groom's mother, Mrs. Aufderheide, selected a pink brocade dress in an A-line style with a scoop neckline and short sleeves. Her accessories were in a matching shade. They both wore pink Sweetheart rose corsages.

A graduate of Madison High School, the former Miss Bryant is attending Lewis and Clark graduated from Madison High College. Her husband-to-be was a graduate of Madison High School and is employed at Norfolk and Western Railroad.

Governor Speaks Out Against L-15 Levee as Harmful to River Recreation in This Region

There were so many encouraging and constructive announcements by Governor Richard B. Ogilvie here Friday that they justify analysis in greater detail than today's editorial space permits. They are dealt with in detail in the news pages of this issue and will be commented on later this week.

An initial reaction on one of the facets of the press conference, the governor's opposition to a controversial Missouri levee project, is that his clear stand comes as a breath of fresh air to those concerned with perpetuation of the Mississippi River's Alton lake area for wildlife conservation and recreation purposes. Many Quad-Cityans are among those who go there for boating, water skiing, fishing and relaxation.

Gov. Ogilvie's position is that the L-15 levee proposal "would require spending \$20 million for some very dubious gains and some positive losses—in St. Charles County, Mo."

"Most of the land which would be newly protected appears to be in the hands of speculative real estate developers. Conservation experts conclude that the project would permanently destroy 1,100 acres of river wetlands. This, in turn, would have a severe impact on migrating wildfowl, 10 million of which use the flyways that would be affected."

"Relief from flooding does not appear to be a valid excuse for spending the \$20 million, since the last flooding was 21 years ago. Rather, it appears that Illinois, Missouri and other payers would be footing the bill to change and improve drainage for private landowners."

"Specifically, I will not oppose the project as it affects land located west of a line connecting Portage Des Sioux and Halls Ferry; east of that line, the project is too expensive and will damage the public interest."

As he notes, the plan has a substantial and adverse effect on Illinois as well as Missouri. It seems highly appropriate for him to speak out, and we trust that the Army Corps of Engineers will give full consideration to his views.

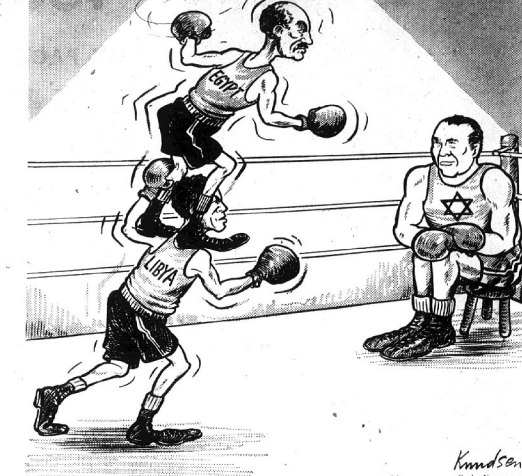

Death of Former Senator Smith Is a Shock

Word of the sudden death of former U. S. Senator Ralph T. Smith comes as a shock to Quad-Cityans.

The native Granite Cityan served the public as an attorney and then as state legislator. He gained deserved recognition as one of the most effective Speakers of the House in the history of the state's General Assembly.

It was natural that he would be considered for appointment to the United States Senate upon the death of Senator Dirksen. If he had had the opportunity to serve for a longer period in Washington, it could have made his political prospects for election to the office; but this was not to be and his tenure as a senator ended with the 1970 balloting.

He later wrote a heart attack, and there had been hope that he would recover his health fully. He will remain a prominent figure in Illinois legislative history for all time.

Winter Wonderland

1972-Style Self-Serve Originated By William Grant -- 66 Years Ago

Giants of the merchandising industry, like symphonic conductors, seem to live to unusually advanced ages.

No exception was W. T. Grant, for whom the largest Quad-City store is named. He died last week Aug. 6, at the age of 96 in Greenwich, Conn.

It was Mr. Grant who was the innovator of the self-service retailing concept, which is thought by many people to be a modern development.

His first store, in 1906, was basically a self-selection store which invited customers to serve themselves.

William Thomas Grant, one of the nation's best known pioneer merchandisers, is credited with parlaying "a sound idea and \$1,000" into the country-wide family of stores now numbering more than 1,100, with 60,000 employees and sales of \$1.2 billion.

He seemed to be born with one conviction: that retailing must be the most thrilling business in the world. His fabulous success proved his belief, in almost Horatio Alger fashion.

Grant was born in Stevensville, Pa., on June 27, 1876, the son of a modest flour miller and descendant of a family which immigrated to Massachusetts in the early 1600s.

At an early age, he set about supplementing the family budget. He had the usual paper route, and then a door-to-door venture selling packets of blue-ink.

Eventually, midway through high school, he quit school to take up regular employment. While never a brilliant scholar in school, he was a keen student of retailing, adding to his conviction about the path to success with each succeeding job.

It was while working as the manager of a department store shoe section in Salem, Mass., that he found the answer to his quest for a different and sure-fire idea for a store.

He noticed that 25-cent items, displayed on bargain counters at the front of the store, drew crowds into the store and sold out fast.

"Here," he mused, "is the business for me: fast sales, no fitting, no fitting problems and a kind of shopping which customers seem to really enjoy."

With his \$1,000 savings, he persuaded his three employers to back him in the new enterprise, which saw the light of day on Dec. 6, 1906, on the ground floor of the new YMCA building in Lynn, Mass.

Advised as the W. T. Grant "25c Department Store," it set out to fill family needs in the pricing gap

oratory degree of doctor of humane letters, recognizing him as an imaginative merchant and philanthropist.

"Who's Who in America" lists among his other activities: member of the visiting committee of Harvard Business School; and Advisory Council to the Department of Oriental Languages and Literature, Princeton University—an interest which came about through his older brother, the late Dr. Elmer Grant, Biblical archaeologist and author, who directed archaeological expeditions in Palestine in the late 1920s.

In 1951, W. T. Grant was elected to Distribution's Hall of Fame by the Boston Conference on Distribution, which cited him as "an example of how a small merchant can build a great chain enterprise through application of sound principles of merchandising."

Bates College of Maine conferred on him its honorary degree of doctor of law.

Grant's extraordinary fund of intellectual curiosity led him to unusual proficiency in any hobby pursued. He became an able photographer and developed an oil painting talent well beyond the amateur stage.

At a testimonial dinner held in his honor by 1,000 store managers, home office and field organization executives, on the occasion of the company's 50th anniversary in 1956, he reiterated his childhood conviction about the thrill of retailing.

He said, "I know of no other business which could give a man so much action, so much challenge, so much satisfaction and so rich a reward for good service to the community than this wonderful business of ours. I have enjoyed every minute of it."

In each of the 1,100-plus W. T. Grant stores, the same principles set down by the founder over half a century ago serve as effectively today as they did in his first store.

He regarded his salespeople as managers of the section in which they worked. He encouraged them to take responsibility for its operation, and a reward was given according to their performance.

Without this ability to "multiply his hands," the massive growth of the company into other cities and states would never have been possible.

He was convinced that heart and humanity were just as important to his business as his charts and meetings.

He thus developed an able and loyal roster of executives to manage the fast-growing firm.

They enabled him, in 1924, to relinquish the presidency after 18 busy years and to supervise its continued growth as chairman of the board of directors, a post he resigned on June 28, 1960, upon reaching his 90th birthday.

His relinquishing of the W. T. Grant Co. presidency at the age of 48 provided a new-found leisure which was not long-lived.

He was soon working with his customary fervor in other fields of endeavor.

In 1936, he established The Grant Foundation, Inc., dedicated to activities which would assist the healthy emotional development of children and youth.

The approach has been through advancing the psychological understanding and knowledge of the public, and especially the professions and institutions affecting the growing child.

Money grants exceeding a million dollars annually are being made to training programs, research and demonstration, public education and youth services related to the field of mental health.

In recognition of his philanthropic interest in youth, he received the first annual Jacob Marley Award for service to the youth of the Protestant Episcopal Diocese of New York in 1957.

In 1960, the University of Miami conferred on him the honor

Egypt-Libya Pact Changes Mideast Focus

Copley News Service

For a Westerner to try to see events through the eyes of one of the antagonists in the age-long Middle East conflict is a course filled with danger.

We just do not see things as they do, and we ignore the fact at our peril.

Against this cautionary backdrop, however, it is safe to say that there is some tiny thread of logic in the actions of the Arabs over the past few weeks.

The Arabs are obviously irritated and disenchanted by the restraints which the Soviets place on them respecting use of their military equipment.

They are rubbed raw by the overbearing presence of thousands of Soviet military in their midst; desperately in need of some sort of an act of independence.

It thus might be concluded that the Egyptian ejection of the Soviet military support had some element of wisdom.

In most charitable terms, it could be seen as a brave blow for Egyptian independence from colonialism as well as a buttress to Egyptian pride.

The Russian under-achiever, even more when viewed in light of the recently announced national merger between Egypt and Libya.

Assuming that the two Moslem countries which are mutually antagonistic can somehow manage to get along, the merger makes sense from their narrow viewpoint.

Egypt, with a great need for food and a tremendous agricultural potential, does not have the capital resources to develop her capabilities.

Per capita agricultural productivity there is no greater today than it was 600 years ago.

Libya, abundantly wealthy because of her oil reserves, with several billions in hard cash available for investment, needs the food products Egypt could produce, and can readily absorb excess Egyptian labor.

Of far greater importance, however, is the fact that Libya, President Kadafi, even more than Egypt's Sadat, is determined to settle the Israeli problem on Moslem terms.

This could well imply armed conflict.

Libya has adequate resources to improve the quality of the Egyptian armies, to underwrite their further modernization.

More to the point, Kadafi has a "holly" desire to do so.

Thus, and tragically so, the federation of Egypt and Libya promises to make the armed might of the Arab world substantially greater and to encourage them to take on the Israelis in a shooting war.

Paradoxically, while the prospect of an Arab-Israeli conflict may have been increased by the federation, the likelihood of conflict may have been diminished by the whole chain of events.

The Soviets out of direct participation in the Arab-Israeli affairs, there is less chance of the leading to an Arab-Israeli conflict leading to an involvement of the great powers.

Nevertheless, the free world remains dedicated to the perpetuation of Israel as a free, democratic and independent nation.

PUBLIC SHOULD ACCEPT BAN ON TRASH BURNING
To the Editor:

I write this letter as a three-year resident of Granite City, an ex-California resident.

The people of Granite City are good people, but they should hang their heads in shame at the lack of cooperation over the trash burning ban.

I lived in California for a few years and never saw anyone burn anything. There was a law in that state for years.

The people there would be shocked if I was, to see citizens contributing to the already massive pollution we have here.

What has to happen here for people to wake up? Do people have to start dying like flies from the stinking air?

I am of the opinion that burning of any kind should be banned and that the few pennies a day it costs to use plastic trash bags is a small price to pay for the chance that our children will not have to suffer

from pollution-caused diseases.

It is true that the burning ban will not cure the problem. But if we, as citizens, take that first little step—and demand action on other fronts—then perhaps some day we will be able to see the sun as God meant for it to be seen, not through a cloud of dust.

WRONG NOMINEE DUMPED
To the Editor:

Democrats dump the wrong man. This should be the headlines in all Democratic papers. Anyone who could vote for the present Democratic nominee for President is either illiterate or stupid.

How can a man stand up to exist in a time when a few people can change the mind of a nation?

I am a lifelong Democrat but a vote for this Democrat is a vote for doom in the Presidential election.

Foreign Tariff and Non-Tariff Trade Barriers Causing 'Export' of Jobs

By GEORGE MEANY

President, AFL-CIO

Present U. S. foreign trade and investment policies have resulted in the loss of 900,000 job opportunities in the past five years.

In 1971, for the first time in this century, the United States had a trade deficit.

That deficit was \$2 billion, and the deficit for the first quarter of 1972 was \$1.5 billion.

Jobs are being lost. America's industrial strength is being eroded through the export of technology, capital and productive capacity.

The U. S. worker is virtually helpless in protecting his job and his standard of living.

The American marketplace has been overrun by imports costing tens of thousands of U. S. jobs in such industries as textiles, apparel, shoes, leather, electronics, steel and autos.

Much of America's trade problems stem directly from the rise of multinational corporations, many of them U. S. owned.

U. S. tax and tariff laws and outright restrictions on U. S. exports by other nations who manage their economies have encouraged U. S. firms to run away and manufacture goods abroad through exploitation of low-wage workers.

In turn, these products are sold in U. S. markets at U. S. prices which the difference in labor costs being added profit for the corporation, taxed by the U. S. government, the profit returns to this shore.

The U. S. market is the most open in the world, the major industrial nations.

At the same time, U. S. exports are denied the opportunity to compete in the marketplace of the world by tariff and non-tariff barriers.

For wanting to save his job from the export market, for wanting work instead of welfare, the worker is being attacked by the consumer.

Who is the consumer but the American worker?

Without a job, he cannot afford to purchase a car, a house, or even a foreign country.

We do not propose a trade policy of isolationism.

Much the contrary, we believe that America's foreign trade policy should be developed in light of what is happening in the world.

This policy should be fair, flexible and, above all else, current.

It is time to stop the folly of permitting American-owned multinational corporations to "write their own ticket" while American taxpayers and the American economy pay the bills.

Wendle-Surbey Wedding At St. John United Church

Miss Janet Surbey, a daughter of the Rev. Dr. and Mrs. Paul Surbey, 2901 Nameoki Road, and Gary E. Wendle, son of Mr. and Mrs. Ollie Wendle of Grafton, Ill., were married in a candle-light wedding Saturday evening at St. John United Church of Christ.

Large bouquets of white stock and white and snow crystal pompons decorated the altar and lighted candles in aisle hurricane lamps, accented with red and white satin bows, illuminated the sanctuary for the 7:30 p.m. double-ring ceremony.

The Rev. Dr. Surbey escorted his daughter down the white carpeted aisle and performed the wedding service.

Miss Bertie Baker, soloist, sang "More," "Love" and "The Lord's Prayer," accompanied at the organ by Mrs. Irene Burdick.

For her wedding, the bride wore a daintily designed gown in an Empire style featuring a stand up collar edged with tiny lace ruffles that was repeated on the wide cuffs of the long puffed sleeves.

The very full skirt extended into a chapel train enhanced by a deep ruffle complemented with lace and red velvet ribbon to match the ruffled flounce at the hem of the dress.

A three-tiered bridal illusion veil was secured with a band of white snow crystal pompons and baby breath. She carried a colonial bouquet of white pompons, white daisies and red Sweetheart roses.

Matron of honor was Mrs. Bonnie White and bridesmaids included Miss Dawn Zeran, Miss Martha Edmonds, Miss Lucia Barbieri and Mrs. Dianna Schwartz, a sister of the groom.

They were attired in identical formal length dresses of cotton voile. The white Empire bodices were fashioned with stand-up collars and long puffed sleeves trimmed with delicate lace ruffles. They gathered skirts of red and white floral print were encircled at the waistlines with a red velvet ribbon.

Each attendant held a co-

lonial bouquet of red carnations, white daisies and baby breath. The groom chose his brother, Ronald Wendle, as his best man. Another brother David Wendle, Richard White, John Relleke and Dean Surbey, the bride's brother, served as groomsmen. Seating the guests at the church were Ken Perkins and Gary Greening, a cousin of the groom.

Mrs. Surbey chose a floor-length gown of red and white floral print. The groom's mother, Mrs. Wendle, selected a long dress in red. They both wore white cymidium orchid corsages.

Guests were received by the newly married Mr. and Mrs. Wendle at a reception held in the fellowship hall of the church.

After a wedding trip to Florida, the bride couple will reside in St. Louis County, Mo.

Parents of the groom entertained members of the wedding party at a rehearsal dinner on Thursday night at their home in Grafton.

A 1968 graduate of Granite City High School, the former Miss Surbey graduated this year from Southern Illinois University at Edwardsville. She is employed as a teacher for Special School District of St. Louis County.

Mr. Wendle was graduated in 1966 from Jerseyville Community High School and in 1971 from SIUE. He is now taking graduate courses at the Edwardsville university.

Out of town guests included Mr. and Mrs. P. H. Surbey, the bride's grandparents; Mr. and Mrs. Wayne Surbey and family, an uncle and aunt and Mr. and Mrs. Marvin Gross, cousins. All are of North Canton, Ohio.

Mrs. George Schaab, the bride's maternal grandmother; Mr. and Mrs. William Schwesig and Mrs. Grace Ehret, all of Belleville; Mr. and Mrs. Dwight Schwesig of Houston, Tex.; Mr. and Mrs. Roy Colson of Champaign, Ill. and Mr. and Mrs. William Kieffer of St. Louis.

MRS. GARY E. WENDLE, the former Miss Janet Surbey, a daughter of the Rev. Dr. and Mrs. Paul Surbey, 2901 Nameoki Road. Her wedding took place Saturday evening at St. John United Church of Christ.

MR. AND MRS. WILLIAM E. GASS JR. They were united in marriage at St. Joseph's Roman Catholic Church. The bride is the former Miss Diane J. Baranica, a daughter of Mr. and Mrs. Frank Baranica, 1928 Grand Ave.

Couple Exchange Vows In Afternoon Ceremony

The Rev. Henry Mack officiated at the afternoon wedding on July 29 of Miss Diane J. Baranica and William E. Gass Jr., at St. Joseph Roman Catholic Church.

Parents of the couple are Mr. and Mrs. Frank Baranica, 1928 Grand Ave. and Mr. and Mrs. William Gass, 2034 Sunbury St.

Mr. Baranica escorted his daughter down the white carpeted aisle and gave her in marriage. She wore a gown fashioned of imported organza over taffeta in an Empire Josephine silhouette style. The oval neckline and short sleeves were accented with fragile lace trim.

The slightly gathered skirt extended into a full sweep train appliqued with matching lace motifs. She wore a large flat bow of organza embellished with lace motifs to hold in place her tiered veil of French illusion, and carried a tear-drop bouquet of white and yellow carnations.

Mrs. Shirley Nobus, a sister of the bride, was matron of honor and wore a sheer yellow polyester gown with pink, blue and white flocked flowers. The high-waistline was encircled with a scalloped white lace inserted with green velvet ribbon.

Her flowers were a similar arrangement as the brides. Serving as best man was Donald James Gass, a brother of the groom.

Mrs. Baranica was attired in a blue knit, street length, dress complemented with white accessories. The groom's mother, Mrs. Gass, chose a multi-colored voile print frock with yellow accessories. Both wore corsages of white carnations tinted yellow.

A reception was given at the Slovak Hall immediately following the ceremony. The newly married Mr. and Mrs. Gass are now living in Granite City after a wedding trip to Florida.

Both are graduates of Granite City High School. The former Miss Baranica is employed at Optimist International in St. Louis. Mr. Gass works at American Sheet Strip and Steel Corp.

Diane Deidiker Married In Evening Ceremony

Miss Diane S. Deidiker, a daughter of Mr. and Mrs. Paul H. Deidiker, 2525 Pine St., and Marvin L. Boyer, son of Mr. and Mrs. Alvin Boyer, 2149 Bern Ave., were united in marriage July 29 at the First Church of God, 2910 Pershing Ave.

The Rev. Charles Mayfield performed the double-ring ceremony at 7 p.m. Mrs. Dorothy Stone presided at the organ for Mrs. Ruth Pope as she sang, "O Perfect Love" and "I Love You Truly."

For her wedding the bride selected a street-length dress of pink doe skin fabric featuring a train that fell gently from the shoulders and edged in a wide white lace trim.

A forward headpiece of lace and tiny flowers held a short veil of pink illusion. She carried a bouquet of white carnations.

Miss Carol Deidiker, a sister of the bride, was maid of honor and Gary Boyer, a brother of the groom, attended as best man.

Women of Moose Plan Projects
Plans for a rummage sale on Aug. 18-19 and participation in Charity Days on Sept. 14-15 at the Nameoki Village Shopping Center were completed at a meeting last week of the Granite City Chapter 247 of the Women of the Moose.

The meeting was designated as Star Record Chapter Night and after the opening remarks by St. Regent Jean Telior, the meeting was turned over to Marilyn Lipscomb, star recorder chairman.

Mrs. Ella McKittrick has been a star recorder for 21 years in the Granite City Chapter. As the guest speaker she reviewed past events of the local chapter.

During the business session, a new member, Lucille Jarman, was accepted. The group also approved a motion to sponsor Mary Ann Kozl in nurses training at St. Luke Hospital.

In conjunction with future projects a meeting of all chairmen and officers will be held on Aug. 15 with the next regular meeting set for Aug. 23.

A luncheon was served to 33 members from tables decorated with green and gold books. Those winning prizes in the games were Mrs. Rose Summers, Mrs. Edna Brandy and Mrs. Betty Metz.

Dickerson-Holt Wedding At Collinsville Church

An out-of-town wedding of interest here was that of Miss Barbara Holt, 704 W. Main St., Collinsville, and James W. Dickerson, a son of Mr. and Mrs. James E. Dickerson, Rural Route Two, Collinsville, formerly of Madison, at the First United Presbyterian Church in Collinsville Sunday.

The bride is a daughter of Mr. and Mrs. David P. Holt of 2065 Marsuda, Clark, Missis-sauga, Ontario, Canada.

A five o'clock ceremony was performed by the Rev. J. D. White before an altar banked with arrangements of yellow and white mums.

Frank Joachimsthaler, soloist, played the guitar and sang, "The Wedding Song" and the chorus from Happily Hoping, accompanied by Mrs. Bonita Krupp at the organ.

For her wedding, the bride was attired in a floor-length gown of imported white silk organza, heavily Venise lace appliqued the Empire bodice, formed the high stand-up collar and cuffed the long full sheer sleeves.

White picture hats trimmed with matching green ribbons were worn by the attendants and they held a single long-stem yellow rose.

The groom chose Dan Joachimsthaler as his best man. Al Coverdell and Jesse Moad, an uncle of the groom, served as groomsmen. Mike Holt and Bob Dickerson, brothers of the bride and groom, were ushers.

Mrs. Holt selected a lavender silk crepe dress with long sheer sleeves complemented with a matching sleeveless coat. The groom's mother, Mrs. Dickerson, appeared in a turquoise polyester sheath dress, featuring a lace bodice and long sleeves. Both wore yellow rose corsages.

Guests attended a reception after the ceremony held at the Veterans of Foreign Wars Hall in Collinsville.

After a wedding trip to the Ozarks the couple will reside at 6928 Colonial Woods Drive, St. Louis.

The former Miss Holt is a junior at Harris Teachers College where she is majoring in special education. Mr. Dickerson was graduated this year from SIUE. He will teach the 8th grade Earth Science course at Oakville Junior High School in Oakville, Mo.

LEOTARD-CLAD TELEVISION FANS. Members of Channel 9 sit in rapt attention during a KETC-TV studio "get together" featuring Lillas Folan, hostess of the telecourse "Lillas, Yoga and You" which begins a repeat telecast at 10 p.m. Tuesdays and Thursdays starting

Aug. 22. Many of the members appeared for the event in leotards, ready to participate in Yoga positions along with Lillas, who came to St. Louis for the gathering of her television students. Her home is in Cincinnati, where the series is videotaped at public TV station WCET.

Yoga Catching on in This Area as an Alternative to Jogging, Gym Workouts; Called Cure for Fatigue

Yoga for everyone will return to Channel 9 as "Lillas, Yoga and You" begins a new season on Aug. 22 and 24, to air twice weekly at 10 p.m. Tuesdays and Thursdays on viewer-supported public television station KETC-TV.

The year-long series offers yoga experiences and meditation for viewers age eight to 80, with focus on the practical side of yoga.

Each program offers sensible

tips about diet, calm words for thoughts to aid relaxation, and a demonstration of varied yoga postures — most of which are easy enough for first-time viewers.

Lillas Folan, the attractive hostess of the nationally-popular series, was greeted by Channel 9 members during a live "get-together" broadcast at the KETC-TV studios. A videotape broadcasting of Lillas and local members sharing yoga,

food and fun will be aired at 7:30 p.m. Friday, Aug. 18. Lillas, who has appeared on the NBC "Today" show, is a healthy, vibrant woman in her 30s whose Cincinnati-based series is in its second year of production.

She began practicing yoga nine years ago, after the birth of her two sons, now ages nine and 11.

Today a trim, model-size 5-foot 8-inches tall and 135

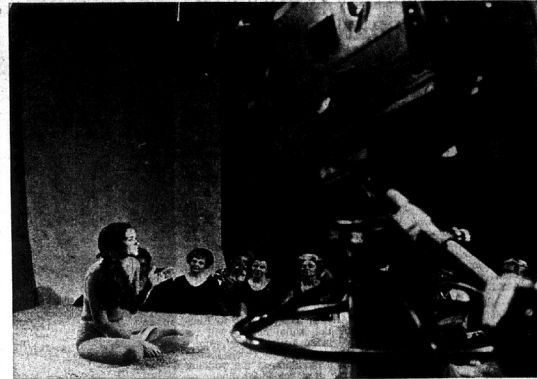

pounds, Lillas maintains that yoga lifestyle has freed her from physical fatigue and the spiritual vacuum that haunted her routine days at home.

Yoga enthusiasts watching the program require only a modest corner of a room and perhaps a soft rug under foot to perform the exercise postures. Yoga, as an alternative to jogging or gym workouts, is becoming widespread, especially among women.

Elderly people too, may respond to yoga exercises that are not overly strenuous.

Enrollment in "Lillas, Yoga and You" is \$3 to Channel 9 members and includes Lillas' exercise guide.

A special free enrollment is offered to persons interested in a new or renewal (tax-deductible) \$15 personal membership. They may write: Channel 9, 6966 Millbrook, St. Louis, Mo. 63130.

LOTUS POSTURE is demonstrated at left by Lillas Folan, hostess of "Lillas, Yoga and You" on Channel 9. She will be shown leading 150 of her metropolitan area Yoga students in a repeat telecast of the KETC-TV "get together" at 7:30 p.m. Friday, Aug. 18, on Channel 9. In the presentation, she explained how "Yoga and its effects on the spirit of an individual can contribute to marital bliss." A native of Connecticut, the TV tutor of Yoga is the wife of a Cincinnati business executive.

QUESTIONS FROM STUDENTS enrolled in the Channel 9 telecourse on Yoga were answered personally and privately by Lillas Folan following the gathering in the Channel 9 studios. Shown visiting with the Yoga instructor are McDonnell-Douglas Corp. President Sandy McDonnell and Mrs. McDonnell, both of whom are enrolled in the telecourse. Mrs. McDonnell expressed appreciation to Lillas for the television series, which, she says, "helps to get my husband home early two nights a week."

EAST MEETS WEST. When fashionable coeds return to their campuses this fall, they may be wearing outfits on the East Coast like this one at right, a one-piece cotton doubleknit dress with a layered vest look. Their counterparts on the West Coast may find the two-piece cotton seersucker plaid dress at left just the thing to complement a summer tan.

BPW Club to Hear Perennials Topic of Cloverview Program on Roses

An initiation ceremony will be conducted for nine new members of the Business and Professional Women's Club at a dinner meeting Wednesday at Charlie's Restaurant.

Reservations still may be made through tonight with Mrs. Rosemary Basden, 377-6092, at \$3.75 per person.

Mrs. Basden, chairman of the dinner, said anyone interested in the organization or who wishes to become a member is invited to attend.

A program entitled, "Roses By The Dozen" will be presented by Willis Florist.

The August meeting of the Cloverview Garden Club will be held at the home of Mrs. George Knapp, 3301 Harvard Drive, last week. Mrs. John Jenkins read the club collect and the business meeting was conducted by the president, Mrs. Kenneth Brokaw.

A program "Perennials Preferred" was given by Mrs. B. C. O'Neill. It covered annuals, perennials and biennials and the proper planting time and care of seasonal flowers to be used for borders, rock gardens, flower beds and wall gardens insuring full color for an entire season.

The annual contribution was sent to Lincoln Memorial Gar-

dens, Springfield. It is supported by the Garden Clubs of Illinois, Inc.

A work shop on "Gracious Living" will be held Sept. 20 from 9:30 a.m. to 4 p.m. at Southern Illinois University, Edwardsville. It is sponsored by the Madison County Home Economics Extension, according to an invitation received from Mrs. Catherine R. Mauck, extension advisor.

The workshop will feature Home Furnishings and Food Specialists, Virginia Seidel, Geraldine Acker and Mrs. B. J. Jesselhardt, director of District V, Garden Club of Illinois, Inc.

Reservations are to be made between Sept. 1 and 13.

The summer meeting of the Garden Club of Illinois will be at the Hyatt House, Lincolnwood, Ill., today. A program "All New - Way Out" of abstract flower arrangements created with all fresh plant material by Lillian Dushek will highlight the meeting.

Also present at the meeting were Mrs. John Lentz, Mrs. Fred Orr, Mrs. Darie Deremo and Mrs. Robert McCauley.

Mrs. Leo A. Roman, 3213 Colgate Place, has invited the club to meet in her home in September.

Mrs. Jonella C. Bobb Bride of James Bowman

Mrs. Jonella Clements Bobb, 2126a Benton St., and James Bowman, 2432 Grand Ave., were married at seven o'clock Friday evening the pastor's study of the First United Presbyterian Church.

The Rev. David B. Maxton performed the double-ring ceremony. The bride is a daughter of Mr. and Mrs. Lester Squires of 1428 Iowa St. and the groom is a son of Mrs. Myrtle Bowman of Dallas, Tex.

A graduate of Granite City High School, the former Mrs. Bobb is employed as a production control specialist at Consolidated Aluminum Corp., Venice.

Mr. Bowman is an employment interviewer at the Illinois State Employment Service. He received his B.A. and M.A. degrees from Arizona State University in Tempe, Ariz., and is a member of Sigma Delta Chi, professional journalism society, of Dallas, Tex.

Pontoon Sets Deadline for Delinquent License Fees

Operators of businesses in Pontoon Beach who owe delinquent business license fees have until 5 p.m. today to make payment or face legal action, according to a decision by the

Pre-School Enrollment At Park Office Only

Parents or guardians will have to register their children for pre-school classes of the Venice City Park District by bringing proof of residency in the park district to the park office after 9 a.m. on Tuesday.

This year there will not be any registrations taken over the telephone and all enrollments must be made at the park office.

Children must be 4 years old before Nov. 1 to be eligible for the classes that are held at the Community Center, 822 Niedringhaus Ave.

Fire Damages Dairy Queen on Pontoon Rd.

The Long Lake Volunteer Fire Department extinguished a grease fire at the Dairy Queen, 3801 Pontoon Road, at 8:30 p.m. Saturday.

Damage was estimated at several thousand dollars to the building and equipment. The fire started at the french fryer and ranged up the wall and through the roof, according to Jack Harper, fire chief.

George Dyckman, operator, announced the business will continue with exception of the hamburger and french fry section.

Two Hurt When Car Strikes Utility Pole

Jerry Thompson, 27, and Vanda Thompson, 27, both of 208 Washington Ave., were admitted to St. Elizabeth Hospital following an auto accident at 2:30 a.m. Sunday.

The Thompson auto struck a utility pole at 29th Street and Washington Ave., police said. Mr. Thompson underwent surgery and Mrs. Thompson was admitted with contusions to the left leg and knee and cuts to the face.

CAR STOLEN AT BELEMORE A 1966 light blue, 2-door auto was taken from the rear parking lot at Glik's Bellemore Store, it was reported by the owner, Mrs. Doris Wilson, 2256 Benton St., at 6:07 p.m. Saturday.

BATTERY STOLEN

Joe Smolar, 2545 Jerde Ave., reported the battery in his car was stolen at 10:41 p.m. Saturday. He said he had seen two men in the neighborhood carrying tools and when he approached them they ran away. The car was parked in the garage.

The board instructed Mrs. Dorothy Simpson, village clerk, to prepare a list of all delinquent businesses whose fees have not been paid by the deadline and turn it over to the police department and the city attorney for legal action.

The controversial issue of village business fees from which never have paid license fees, brought criticism from members of the audience. Several residents told the board that the village should have been collecting the license fees all along, and that while collecting back fees now may be legal, it is not ethical and would impair the village image.

Board Member Fred Reecer attempted unsuccessfully to suspend all previous business license ordinances with the suggestion that the village start anew with its license fee system.

The board also adopted a resolution requiring all Pontoon Beach policemen hired in the future to attend a training course under the Illinois Police Training Act. The board voted to send Patrolman J. D. Smith to the course at Belleville Junior College beginning Sept. 18.

Mrs. Elsie Marlette, treasurer, announced her resignation, effective Aug. 17, as she and her family are moving to Denver, Colo. where her husband has been working the past several weeks.

In other board action, property belonging to Howard Kaseberg was annexed to village. It adjoins Quiet Valley on the east, Long Lake on the north and the old Terminal Railroad right-of-way on the south.

The board recessed until Wednesday at 8 p.m.

Driver Hurt, Says He Was Fleeing Captors

John Conlon, 28, Overland, Mo., who was injured in a traffic accident on McKinley bridge in Venice at 4 a.m. Saturday, asked Venice police to search for a companion, Dave Butcher, 21, of St. Charles, Mo., who Conlon said was abducted by two Negroes.

Conlon was injured when his westbound car struck the east superstructure of the bridge. He was taken by ambulance to St. Elizabeth Hospital where he was treated for cuts to the nose and right arm.

Police said Conlon called them at 3:20 p.m. Saturday and told them that he and Butcher were parking his car in St. Louis about 1:30 a.m. when two Negroes got into the car and ordered Conlon to drive them to a dance hall in the Venice area, although he did not know where it was located.

One of the men took Butcher to the rear of the building. Conlon said, while he succeeded in breaking away from the other man, Conlon said he jumped into his car and headed toward St. Louis, becoming involved in the accident on the bridge. Conlon said he had not heard from Butcher.

Free Events, McGovern Visit Among State Fair Highlights

Copley News Service

Springfield—The 1972 Illinois State Fair has opened, trying out for the first time its new approach, dedicated to proving you can indeed, get something for nothing—well, for very little, anyway.

This year, under new directorship in the person of Bob Park, the fair is trying out a "free" policy.

Many of the fair attractions, including big name acts before the grandstand, will be without charge, once the fairer has paid to get onto the grounds. Rides and food, of course, must still be purchased.

The price policy isn't the only new thing—a number of old standby fair features have been moved, or removed.

The derelict textile building, for instance, built around the turn of the century, was finally moved to the area at a new vegetable garden, an appropriate sight for a fair which bills itself as the state's largest agricultural exhibition.

The carnival midway, which for years was located in Happy Hollow, just inside the gates, has now been moved to the area at the east end of the race track, while Happy Hollow has been converted into Children's World, with attractions geared to youngsters, including a circus and a puppet show, all free.

The harness races, the horse show, the quarter horse races, the western horse show—all those things which used to cost goodly amounts—will be free.

So are twice-daily performances by such acts as Blood, Sweat and Tears, the Fifth Dimension, Bill Cosby, Grand Ole Opry, Roy Rogers and Dale Evans, Sonny and Cher and Glen Campbell, all appearing during the first nine days of the fair.

The final Sunday, Aug. 20, will be Veterans' Day, with U. S. Auto Club championship Indianapolis-class cars on the grandstand racetrack at the fair.

The race, and the USAC sanctioned stock car races the day before, are the only grandstand attractions for which purchased tickets will be required.

The "name attraction" shows will be presented at 6 p.m. and 9 p.m., each identical performance running an hour-and-a-half.

For children on opening day, there was a morning parade starting at Lincoln Park, near the grounds, and youngsters were admitted free until noon.

For teens, every evening

plus weekend afternoon, rock groups will perform under a tent in the fountain area.

For everybody on Aug. 13 there were free camel races, ostrich races and other thrill features.

Square dancing is scheduled on the roof of the Illinois Building both Saturday nights of the fair.

Entry fees this year, as part of the new "more things free" policy have been increased slightly, to \$1.50 for adults and 50 cents for children 12 and under.

The fair runs Aug. 11 through 20, and the theme is "Come Smile With Us."

Among those coming, and undoubtedly smiling a lot, will be Senator George McGovern, Democratic presidential candidate. He is scheduled to visit the Illinois State Fair on Wednesday, Aug. 16, Democratic Day.

PICTURE BY GRAVEMANN

The engagement picture of Miss Mary Catherine Miller, published in Thursday's issue of the Press-Record, was submitted by Gravemann Studio of East Alton, Ill. The credit line was inadvertently omitted.

PROMOTED. Richard C. Emmons has been promoted to the position of production superintendent of the East St. Louis & Interurban Water Co. The position entails the supervision of all the utility's production, pumping and storage facilities in Madison and St. Clair Counties. Emmons formerly was the assistant production superintendent. His replacement will be announced later.

AFRICAN POLITICS. Charles Geoffrion, a candidate for the doctoral degree in African Studies at Indiana University, displays two masks worn by men or women's secret societies in West Africa. Geoffrion will be teaching a course at the Performing Arts Training Center in East St. Louis. The title of the course is "Traditional African Political Systems."

St. Peter Church To Install New Glass Windows

St. Peter Evangelical United Church, 21st Street and Cleveland Boulevard, will be adorned with new stained glass windows this fall.

The church obtained a building permit to replace the old windows and frames with framed chunks of stained glass set in epoxy, with aluminum frames.

The Rev. Robert Kettelhut, pastor, said the old windows and frames date back to the early part of the century. He said the design and construction of the new windows had been completed in France, are enroute here by ship and should arrive from Chicago through the St. Lawrence Seaway at the end of this month.

Listed at a cost of \$5,000, the project was included in eight building permits issued for new construction in Granite City during the first two weeks of August. Others obtaining permits were:

George Meyer, 2962 Washington Ave., install gutters, \$635; Shirley Heinbokel, 2964 Washington Ave., install siding and gutters, \$1,760; Ross Nightingale, 4003 North St., repair garage, \$85; Paul Van Gilder, 2228 Lincoln Ave., repair garage, \$360.

Larry Wood, 2617 Denver St., garage and house roof, \$900; Leo Kelly, erect sign at 1225 Edwardsville Road, \$50; and Raymond Romine III, 2832 Wayne Ave., basement room, \$250. In addition, Dean Johnston, 1817 Spruce St., obtained a permit to raze a garage at a cost of \$100.

BIKE-AUTO ACCIDENT
Glen Soden, 16, of 2200 Missouri Ave., escaped injury when his bicycle collided with an auto driven by Roscoe Clapper, 2403 Dewey Ave., at 5:45 p.m. Thursday at W. 23rd Street and Illinois Avenue.

African Political Class Offered at SIUE Center

"Traditional African Political Systems" will be the subject of a new course being offered this fall at the East St. Louis center of Southern Illinois University at Edwardsville.

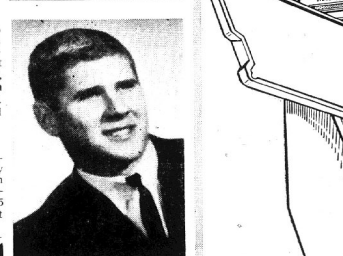

The course will be taught by Charles Geoffrion, a candidate for the doctoral degree in African Studies at Indiana University. Geoffrion has completed 12 months of doctoral research in Malawi, South Central Africa.

Geoffrion's course will be part of the Performing Arts Training Program, directed by Katherine Dunham. Geoffrion has known Miss Dunham since 1968.

"Traditional African political systems," Geoffrion said, "might be called the 'micro-politics of village Africa.' The study has nothing to do with national states," he said, but instead, deals with tribal units. He said his research is "more political anthropology than political science."

Peace Corps Member
Geoffrion's interest in Africa was stimulated by his appointment there as a member of the Peace Corps before he entered graduate school. He returned to East Africa in 1966-67, where he studied secret tribal societies.

"Secret societies," Geoffrion said, "provide a political counterbalance to the chief. Their primary role is communication with the (tribe's) ancestors." "Therefore," Geoffrion said, "they act as powerful agents in awe and fear by the village people—because of their religious associations. They have medical functions as well, as

DR. JACK J. MILLER who is opening a dental office at 8561 Madison Ave. today. He is the son of Mr. and Mrs. Thomas J. Miller of 1725 Rhodes Ave. Married to the former Gail Rogers, the couple have a daughter, Karen Rae, a year and a half old.

Revised Scout Handbook To be Issued Sept. 25

By WALTER STRANGE
Press-Record Staff Writer

One of the nation's all time best sellers will be published this fall as a revised edition. Effective Sept. 25, the more than 6½ million youth and adult members of the Boy Scouts of America will have a new handbook, used by all Scouts as a manual for advancement and reference, according to G. Rolin Henn, council commissioner of Cahokia Mound Council.

Since its first edition in 1911, the Scout handbook has sold over 16 million copies, which guarantees it a place in publishing history alongside the Bible and other best sellers. Over 50 million Americans have been enrolled in Scouting since 1910.

The new edition reprints none of the material in the old handbook. It is a complete rewrite designed to introduce the changes in Scouting that go into effect Sept. 25.

Changes Planned
For the past four years, individuals and national committees have been planning changes to make Scouting more responsive to the needs of today's youth. Surveys and field studies told the Boy Scouts what was needed and the new program was built around survey data from the boys themselves.

The new program will allow the Scout more leadership training, greater voice in planning and decision making, alternate routes to higher rank, team sports and relaxed uniform options.

Gone from the handbook are such outdated skills as tracking, stalking and signaling. Instead, Scouts will have to become more skilled in personal communications, learn about drug abuse, indoor cooking and other more relevant personal skills.

Scouts still will have old camping, but greater emphasis is being placed on ecological and environmental factors. Tree, shrub and animal identification in each environment are included in the new book. A city boy will no longer be mystified by a requirement to identify rattlesnakes and cinders; now he will learn about cockroaches and pigeons.

First aid requirements haven't varied much in the new book, but the illustrations are more relevant. Treating snakebites is still there, but urban Scouts can zero in on more modern problem like rat bites. One of the new skill awards is in the area of community living. Scouts are taught all

about public utilities, ethnic groups, government taxes, volunteer service, and other facets of 20th century life in rural and urban America.

The Scout oath and law remain the same, but explanations are greatly simplified. According to William Monck, scout executive of the Cahokia Mound Council, the new handbooks and material will be available in the local council and North Central Region of the Boy Scouts of America Sept. 25.

The changes were scheduled for Sept. 1, but it was felt that the Sept. 25 date would be more practical to allow time for volunteer Scout leaders to study and attend special orientation meetings on the new material and program changes before it is released to the general membership and the public.

Nursery School to Open at Hope Lutheran

A pre-school nursery school for children of ages 3 and 4 will open on Sept. 5 in the educational building of Hope Lutheran Church, 3715 Wabash Ave. It was announced today by the pastor, Louis Oetting.

Registrations are being taken at the church office on Monday, Wednesday and Friday from 9:30 a.m. to 3:30 p.m. The school is open to the community and a tuition fee of \$7 will be charged at the time of registration with a per-day cost of \$1.

The school will operate from 9:30 to 11:30 a.m. Tuesdays and Thursdays and has been licensed by the Illinois Department of Children and Family Services.

Co-directors of the school are Mrs. Alice Lamb and Mrs. June Barton. Anyone interested in enrolling a child in the "Little Lamb Nursery School" or wanting more information may call the church office at 451-7568.

Over

50,000 Drivers Fail

Last year alone, over 50,000 Illinois licensed drivers failed the state written examination. This year the number of drivers that will fail could jump to a hundred thousand or more. Experts say — "One reason is, that rules and regulations change, and even some good safe drivers just don't keep up with the new laws." If your license expires this year, you may be among the hundreds of thousands that will be re-examined in 1972. So if you're nervous about taking the state written exam, here's

Mrs. Sadie Vaughn, 85, Dies; Here 43 Years

Mrs. Sadie Marie Vaughn, 85, of 2442 Sheridan Ave., ill for one year, died at 5:30 p.m. Thursday at the Elder Care Nursing Home in Alton. She was born near Dover, Tenn., and lived in Granite City for 43 years. Mrs. Vaughn was a member of the Glenview Chapel Assembly of God.

Prior to her retirement, Mrs. Vaughn was employed for 25 years as a tailor for Fleishman's Men's Store.

Her husband, George Vaughn, died Dec. 8, 1959.

Survivors include four sons, Sidney and Ralph Vaughn, both of Granite City, Ray Vaughn of East St. Louis and Earl Vaughn of El Monte, Calif.; four daughters, Mrs. Gerline Bagwell of Dover, Tenn., Mrs. Vilma Belmer, Mrs. Elsie Mathias and Mrs. Margaret Hildreth, all of Granite City.

Two brothers, Jack Mann and Eltheridge Mann, both of Clarksville, one sister, Mrs. Ella Ruth Chester of Clarksville, Tenn.; 32 grandchildren, 17 great-grandchildren.

Funeral services were held Saturday. Details are given in the obituary column.

GRANTMASTER TIRE GUARANTEE

1. Tread Life Guarantee Against Road Hazards
We guarantee all Grantmaster tires against failures from all normal road hazards for the life of the tread with the exception of ordinary nail punctures, fire, theft, front-end misalignment, under-inflation, over-inflation and running flat.

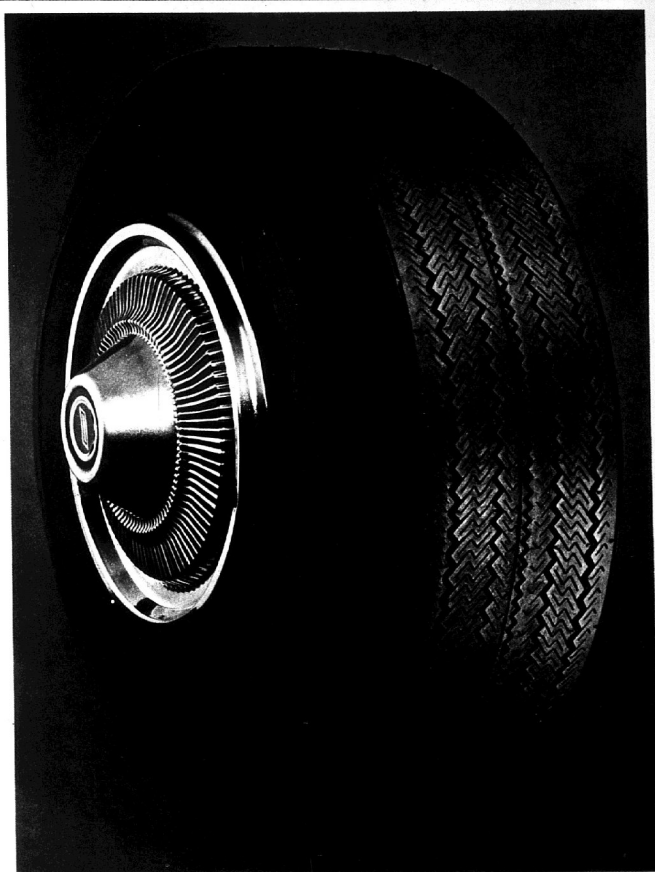

2. Tread Life Guarantee Against Defects
We guarantee the Grantmaster tire against all defects of material and workmanship for the life of the tread.

Basis of Adjustment: Should your Grantmaster tire require adjustment under Section 1 or 2 of the Guarantee, please return it to Grants and we will replace it by giving you proportionate allowance for the unused tread, based on the current selling price, including Federal Excise Tax.

3. Guaranteed Against Tread Wear
The original tread is guaranteed not to wear out for the number of months designated. If tread wears out during this period, the tire should be returned to Grants and we will replace it, charging the current regular price plus Federal Excise Tax less the following percentage allowance toward the purchase of a new tire.

Tire Guarantee	Allowance
18-27 Months	10%
28-40 Months	25%

This guarantee covers tires in passenger car service only. Passenger car tires used in commercial service reduce the guarantee period by 50%.
